

## BAPTISTS HAVE RAISED \$116,000

This Amount Pledged to Date  
In Sandy Run and Kings  
Mountain Association.

A fourth meeting of the Baptist Centennial Campaign was held in social hall of the First Baptist church of Forest City Tuesday night, May first. This was the most enthusiastic meeting which had been held. Up to date, Kings Mountain Association has raised a total of ninety one thousand dollars, Sandy Run Association twenty-five thousand, making a total for the two associations of one hundred and sixteen thousand dollars.

Many churches of the association have not yet reported and it is believed a good additional sum will yet be reported.

On motion of Dr. Adams, the churches all agreed to continue to get all the additional subscriptions they can until the association meets and to try to get up the total to one hundred and forty thousand dollars in the two associations, thus raising the forty thousand debt on Boiling Springs and having one hundred thousand dollars over.

Trustees meeting at Boiling Springs Tuesday proceeded to elect teachers for the junior college, which will open up this fall. It was decided that as many as possible would go to Ellenboro on next Sunday afternoon, as the county Sunday school convention meets with Ellenboro church at that time.

Timely and feeling remarks were made by Dr. Mercer and Dr. Adams.

Spindale announced having two five hundred dollar memorial gifts.

Much and lasting good has been accomplished by these meetings. The sitting down and eating together gets you acquainted, overcomes your prejudices, warms your heart, reserves are broken down, and at such times we are at our best. The influence of these meetings will be felt and seen in larger contributions to other causes, and more interest being shown in other work. The good of Boiling Springs made a junior

## Rollicking Singers and Entertainers a Popular Redpath Attraction

HERRICK MALE QUARTET

The Herrick Male Quartet, headed by Robert Herrick, well-known entertainer and singer, is one of the popular attractions of the coming Redpath Week here.

Here is fine quartet singing—four splendid male voices that blend in most delightful harmony.

These four young entertainers, all college men, sing their songs and present their sketches with infectious high spirits and true college "pep." The audience loves them. They have the happy knack of making any audience sit up and cry for more.

college is incalculable, only time and eternity will show.

### DEFEAT RUTHERFORDTON

Forest City Hi hung up their fifteenth victory of the season when they defeated Rutherfordton in a loosely played game, 6 to 1.

The locals were unable to hit with the regularity that they have in the past games, but took advantage of Rutherfordton's ten errors.

"Snag" Moore, for Forest City, pitched air tight ball throughout the game, striking out ten of the visitors, allowing three hits and giving four free passes to first.

Jordan, for Rutherfordton was wild, walking eight men. He allowed six hits.

T. McKethan and Laughridge led the hitting, both getting a single and a double out of four trips to the plate.
