CITY'S ASSESSED TAX VALUATION IS \$4,175,674.00

City's Tax Rate This Year is \$1.75 Per \$100.00 Valuation.

Municipal night at the Forest City Kiwanis meeting Monday evening, April 23, was well attended. During the program Mr. J. E. Caldwell, city clerk, gave some interesting figures in regard to the cost of operating the municipal departments. The Forest City tax rate is \$1.75 on the hundred dollars worth of property, says Mr. Caldwell. The assessed valuation of property in Forest City is \$4,175,-674.00. The largest single item on the city's budget is the interest on outstanding bonds. During the past year \$6,000 worth of these bonds have been retired. Mr. Caldwell's table of figures are given below:

L. N. Rouse of Wake county, grazed a herd of hogs from September to March 15 on eight acres of corn and soybeans. He fed only a small amount of corn and in addition to carrying three brood sows and a boar in the field, he sold over 2,000 pounds of meat so fattened.

Dark patches under the eyes, according to a medical theory, may be due to defective teeth, but probably more of them are caused by a moment's delay in dodging.
