

TWO FERTILIZER TESTS UNDER WAY

Department of Agriculture in Local High School Conducting Corn and Cotton Test.

The Department of Agriculture at Cool Springs High school is conducting a series of demonstrations on the farms in the community, according to D. H. Sutton, teacher of Agriculture. Two of these demonstrations, fertilizer tests in cotton and corn, will be put in this week. The test with cotton will be on the farm of Wilbur Smith on the highway between Forest City and Caroleen. The other, on corn, will be on the farm of W. E. Lewis. All of the series of experiments are planned to meet the need of the local farmers. There is no problem in agriculture more vital than the problem of fertilizer.

The tests are an extension of the fertilizer test run on the farm of W. L. Hunt last year. They will also be run in co-operation with the Chilean Nitrate of Soda Educational Bureau and will be conducted on plots divided into five sections of one-tenth of an acre each. Each of these sections will be fertilized differently and marked clearly so that the success or failure of the different fertilizers can be clearly demonstrated. These experiments are very practical and both the students and farmers are much interested in them.

U. D. C. MEETS

Rutherfordton, Apr. 30.—The Davis-Dickerson-Mills Chapter, United Daughters of the Confederacy, met last Friday afternoon with Mrs. R. E. Price at her home on Hickorynut Gap Road. The regular program was carried out as planned, after which discussion centered on methods to entertain in the old Confederate veterans on May 10. It was decided that the chapter would give each veteran his dinner, either at the hotel or a cafe. The chapter will bear the expenses of the dinner. Anyone who wishes to donate toward this fund are requested to send their donations to Mrs. R. E. Price at Rutherford. All donations will be greatly appreciated as the chapter wishes to give the soldiers a nice dinner.

MR. W. B. WELLS AGED 84, DEAD

Confederate Veteran Succumbs to Paralysis and Flu. Wounded at Chancellorsville.

Bostic, R-2, May 1.—Mr. W. B. Wells, aged 84, Confederate soldier died at his home near Concord church last Thursday evening at 8:45 o'clock. On April 5 he was taken ill with influenza, which was followed Wednesday by a stroke of paralysis, which left him unconscious.

Funeral services were held at the home on Saturday morning at 11 o'clock, and were in charge of Rev. Z. D. Harrill, Rev. O. C. Huston, of Ellenboro and Rev. D. H. Reinhardt, of Cliffside. These services were held in the home on account of the aged Mrs. Wells being unable to go to the church. A short service was also held at Salem Methodist church.

Mr. Wells is survived by his wife, who is 81 years of age, two daughters, Mrs. Ship Harrill and Miss Lindy Wells; four sons, Messrs. Billie and M. Wells, who resided with their parents, J. D. Wells, a merchant of Henrietta and Grady Wells, who holds a position with the Seaboard Railway Company. Twelve grandchildren also survive.

Mr. Wells was a Confederate Veteran in the War Between the States he enlisted in Company C., 34 Regiment, North Carolina Troops, where he served four years with great distinction. He was wounded at the battle of Chancellorsville, but was soon back in the ranks.

At the close of the war Mr. Wells returned to Rutherford county and along with hundreds of other heroes of the trenches helped to rebuild the county on a bigger scale and rescue it from the despondency and wreck of the war. In 1869 he joined Salem Methodist church where he was a consistent member until his death. He was married a short time after the war and reared a family of children that have been a credit to their county and state. A man of unassuming character and a tiller of the soil, it is to him and others of like mould that Rutherford county today owes its great success.

Many flowers were sent as tokens of love and esteem for a man who for 84 years had served his county on the battlefields in time of war and in the field of commerce in
