

## KIWANIANS HOLD JOINT MEETING

Forest City Entertains Rutherfordton, Victors in Volley Ball Series

Some few weeks ago the Rutherfordton and Forest City Kiwanians played a championship series of volleyball, the losers to entertain the victors. Rutherfordton emerged an easy winner, so the local club had them come down Monday evening and meet in joint session with them and enjoy the program and splendid supper prepared by Mrs. R. R. Blanton.

Despite the inclemency of the weather, a goodly number of the neighboring Kiwanians attended, and the event was enjoyed by all present. Rev. G. R. Gillespie welcomed the visitors in a most hearty manner, turning the keys of the city (with Mayor Flack's permission), over to the guests. Mr. Gillespie stressed the friendship, co-operation and fellowship existing between the two clubs and the great good resulting therefrom. Then the good doctor went into a "pipe dream", superinduced by his great fervency, and pictured his vision of a great city on Rutherford Boulevard to be known as Rutherford City, embracing the towns of Rutherfordton, Spindale, Forest City and Alexander, all combined into one great metropolis. A "dream" to be sure, brought about by the good fellowship existing between these growing cities and their good work of pulling together for all advancement of our great county.

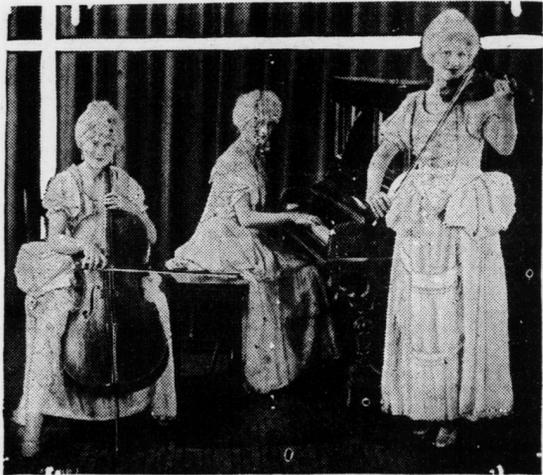

Judge O. C. Erwin very gracefully responded to Dr. Gillespie. As his wont, he was in jovial mood and his inimitable wit was on tap. He jokingly twitted the volley ball players—Dr. Duncan's efforts in particular, declaring that the winners could not claim much honor due to the poor opposition. The Judge then relapsed into a more serious vein and declared the visitors' pleasure at being with the local club.

Mayor Chas. Z. Flack made a short talk on Boy Scout work, followed by President Reinhardt called attention to the approaching chautauqua. He stated that he knew, from seeing both of them, that the five day circuit was equal to the seven and that the program for Forest City this year was the best ever offered here.

Prof. Chas. C. Erwin called attention to games of baseball to be played by the Forest City Hi, while President Reinhardt called attention to the community singing to be held here.

Prof. Chas. C. Erwin had charge of the program for Forest City. He is to be congratulated upon having for the delectation of the guests some of the city's best musicians, Miss Katherine Goggans and Mr. and Mrs. Abe Glickman. Their numbers

## Mozart Concert Company, Popular Redpath Entertainers, to Come Here

An artist company featuring entertainment specialties—The Mozart Concert Company—will be one of the delightful attractions of Redpath Week here this season.

Corine Jessop, popular entertainer and pianist, heads the company. Miss Jessop is well known in the entertainment field and has scored many successes at the head of her own musical entertainment company.

With Miss Jessop are Betty Cain, violinist, and Dora Dean, cellist. The Mozarts will give two concerts here, one in the afternoon and one at night, on the fourth day of Redpath Week. They are sure to be one of the most pleasing features on the Redpath program.

### P.-T. A. MEETS MAY 16

The Forest City Parent-Teachers Association will meet at the grammar school building Wednesday, May 16. At this meeting officers for the next year will be elected and several other matters of importance will be discussed.

A New York woman who kicked two policemen so hard that they were knocked down got suspended sentence and in self-defense the court ordered her to drink nothing with a kick in it for the next three years.

were warmly received and they were heartily encored.

For Rutherfordton, Mr. Deck Wilson had charge of the program. He introduced Mr. J. W. Clinard, who held the crowd spellbound with his imitation of wild life, correctly interpreting the call of almost every fowl and bird and most all the beasts of barnyard or forest.

Prof. Erwin's stunt in providing a winner of the attendance prize was enjoyed by all. He called to floor Howard Doggett and Dr. Duncan, Forest City, and L. E. Spikes and J. H. Burwell, of Rutherfordton. The prize was awarded to the one first to empty a bottle of milk. Mr. Burwell was declared the champion "sucker" of the county and given the prize.

### A FEW THOUGHTS ON THE CAMPAIGN

Two associations raised considerably over one hundred thousand dollars, although having building and other debts on hand. Would have been considered impossible a few years ago. The awakening of the Baptist to education. Half a century ago an educated Baptist preacher a rarity. Were looked down upon and ridiculed as ignorant. Today, with first class colleges and universities all over the land, and with an educated ministry second to none. All this has been possible through organization and the enthusiastic support of the various organizations of the church. Many churches claiming to be Missionary Baptists still hold aloof from the various educational movements. They do not prosper. They do not receive the spiritual and material blessings they should receive if they would do away with prejudice and take part in these educational and progressive movements.

The ladies of the First Baptist church are to be congratulated on the easy and charming manner in which they served the luncheons to so large a crowd.

Dr. Mercer charmed with this quaint, genial and philosophical style. Dr. Adams always has something to say and in a keen, decisive and di-

pleasantly with Mr. and Mrs. Tilden Falls of Shelby.

Mr. and Mrs. Walter Wilson of Lenoir have been visiting Mr. and Mrs. J. L. Elliott on Henrietta St.

Messrs. Walter Lindsay and Mert Huneycutt of Monroe, popular Seaboard men, spent the week end at Ellenboro.

Capt. Will Bowen of Raleigh, Seaboard conductor is now on No. 21 and No. 22 from Hamlet to Rutherfordton and makes his lay-over in Ellenboro at the Piedmont House. His friends are glad to see him back again.

Miss Neldan Wilson of Lenoir is here visiting her relatives, Mr. and Mrs. Joe Elliott. She will finish this year at Davenport College.

Mr. Baker, a blind musician from West Asheville is spending a few days in Ellenboro. He sang at the Baptist church Sunday morning.

rect manner. He is a fighter and never sacrifices his principles.

The Baptists should make more and larger provisions for their aged and retired preachers. No other denomination held and bound together as closely as Baptist churches, not to be really bound, as every Baptist church is a complete and individual unit and is a law unto itself.

Buies Creek and Mars Hill have been and still are doing a noble work. Boiling Springs will now enter on a large program of usefulness.
