WHY YOU SHOULD VOTE FOR GRIFFIN.

Candidate for Commissioner is Young Man of Vision, Energy and Ambition

As the Democratic Primary draws near and the voters are confronted with a long list of candidates to select from, there is one name on the ticket for county commissioner that especially merits your attention and vote. This is Clarence Griffin.

Every voter should take into consideration what the respective candidates stand for, who they are and what may reasonably be expected of them if nominated.

Who He Is

Mr. Griffin is News Editor of The Forest City Courier, a position which he has held four years. The very nature of his work requires a close contact with county affairs. He is a young man of vision, ambition, foresight and energy. His deep interest in the county alone deserves for him the wholehearted support of every voter. A native of the county he has ever been interested in its progress. Mr. Griffin's work in collecting and preserving Rutherford's history resulted a year ago in his selection as county historian by the unanimous vote of the County Board of Education and Board of County Commissioners, working in conjunction with the North Carolina Historical Commission.

What He Stands For

Mr. Griffin, realizing the burden under which the taxpayers of Rutherford are laboring, is unreservedly in favor of a more economical conduct of county government and has pledged his effort toward:

(1) Reduction of operating expense of the county through curtailment and reduction of many items appearing on the present budget;

(2) Toward a conservative expenditure of county funds;

(3) Toward securing a more equal distribution of improvements over Rutherford county.

Many items now appearing on the budget can be materially reduced, and this, along with a conservative administration, is the only method of lowering the present tax rate.

Why You Should Vote For Him

Mr. Griffin deserves your support because he is a young man of energy and has the best interest of the county at heart. He has 'No axe to grind' and is eminently qualified for the position. He is asking for the office solely for the good he may accomplish if elected. From a long study of the county from the editor's chair he has come to know Rutherford and its needs as few other individuals.—Pol. adv.

MISCELLANEOUS SHOWER FOR BRIDE-ELECT

Boiling Springs, May 10.—Wednesday afternoon at 4 o'clock, Mrs. H. G. Moore and Miss Jessie Lou Moore gave a miscellaneous shower at the home of Mrs. Moore, for two bride-elects, Miss Louise Whitaker of Ellenboro whose wedding to Mr. Clifford Hamrick will take place sometime this summer and Miss Mattie Parker of this place, whose wedding to Mr. Roland Hamrick will be in June.

This attractive home was decorated in pink and yellow roses. Brides was played at six tables. On each table the daintiest of score cards carrying out the bridal idea was placed. Centering each table was a crystal vase with beautiful yellow or pink rose buds. Many progressions were made and Mrs. Ladd Hamrick won high score prize, two beautiful linen towels. She presented these to Misses Whitaker and Parker. Mrs. Odus Lee received low score prize, a lovely handkerchief.

Little Miss Nancy Carol Moore entered the room, dressed in a dainty ruffled frock of pink. She announced to Miss Whitaker that she had some mail for her. Little Miss Marjorie Hamrick dressed in a lovely ruffled frock of yellow came with the same message to Miss Parker. They then brought in the mail. They drew in beautifully decorated wagons of pink and yellow laden with gifts for the brides-to-be. On each wagon was a miniature quaintly dressed bride. The many beautiful and useful gifts were displayed on tables and Misses Whitaker and Parker expressed their deep appreciation for them. The hostess assisted by Misses Lucille Wright and Dixie Grigg served a delicious iced course. The out-of-town guests who shared this gracious hospitality were: Mrs. J. V. Rollins of Mooresboro, Misses Lucille Wright, Vera, Louise, and Stella Whitaker, Mrs. Ledbetter, all of Ellenboro and Miss Dixie Grigg of Sharon.

LAKE LURE

Mrs. C. M. Harrill

Not far away, at the foot of a beautiful mountain, lies Lake Lure, appropriately named because one never feasts his eyes on this span of sparkling water without being called back.

The hills are strangely beautiful with all kinds of trees budding and spreading out limbs of cooling shade. Then look at the bedded moss at your feet, sprinkled with tiny blooming flowers of every color.

Looking down into the lake you may see one of God's most beautiful creations reflecting in a mirror of clearest hue. The hills take on another touch of color, shown on the canvas of green and silver. When the sun is sliding behind the distant hills and shedding golden rays on this colorful lake one has a feeling of enchantment. Though Dame Nature herself is dumb, something speaks in our soul and draws us closer to all Nature and her wonderful creations.

Then comes the shadowing twilight and rustling wings of ducks leaving for their restful haunts. By moon light the scene grows even more beautiful. The gentle waves over the lake are turning into silver with stars like so many diamonds sparkling in this mirrored water. Earth and sky alike are illumined in brilliant colors, giving the landscape new beauty in the softening lights.

The mountains above are crowded with rainbow colors with the blue sky dipping lower for a back ground. Trails winding down to the lake are all aglow with rhododendron and

S. C. GETTYS WEDS MISS MARY W. LONG

Cashier of Bostic Bank and Ellenboro Teacher Wedded in Rutherfordton

Bostic, May 14.—A wedding of interest to a wide circle of friends was that of Mr. S. C. Gettys to Miss Mary Willie Long, which occurred at Rutherfordton Wednesday, May 9, at 5:30 p. m. Rev. E. B. Jenkins, pastor of the Rutherfordton Baptist church, performed the ceremony, in the presence of a few intimate friends and relatives. The ring ceremony was used, which was very impressive and beautiful.

Mr. Gettys is the son of the late J. C. Gettys, of near Hollis. For some time he has held a position as cashier of the Bostic Bank.

Mrs. Gettys is the daughter of Mr. and Mrs. W. L. Long, of Bostic, R-1. She is a graduate of Duke University, finishing her course there in the class of 1926. She was one of the teachers in Ellenboro school during the past year.

Immediately after the ceremony the couple left for a trip through western North Carolina and after their return will be at home in Bostic.

More Millions Required To Serve You Better

THE continued growth of the South-eastern States will require an expenditure of more than \$27,173,000 this year for additions, extensions and replacements to the Bell Telephone System in this section.

This big construction program follows a gross expenditure of more than \$25,275,000 for similar purposes last year.

A substantial share of this investment will be made in North Carolina and it is now estimated that more than 6,180 new telephones will be added in this state during 1928.

These large additions and replacements are a part of our policy of building in advance to keep pace with the anticipated growth and progress of the state.

This expansion makes the service more valuable to every community and provides the entire Southeast with an unequalled modern system of quick communication.

SO Beautiful— a car to be proud of wherever you go

Wherever the Bigger and Better Chevrolet is driven, it is singled out for attention and comment—for never before has a low-priced car embodied such superb styling, such exterior richness and such distinguished beauty.

Its low-slung bodies are built by Fisher, with all the mastery in design and craftsmanship for which the Fisher name is everywhere renowned. Beautifully beaded and paneled... stream-lined on a wheelbase of 107 inches... and finished in gorgeous colors of genuine, long lasting Duco—they rival the costliest custom creations... not only in brilliance of execution, but in richness and completeness of appointments as well.

But equally impressive is the obvious ability of the Bigger and Better Chevrolet to meet every driving demand. Its improved valve-in-head motor is smooth, powerful and swift in acceleration. Its big, non-locking 4-wheel brakes are always dependable... always velvety in operation. And its ball bearing worm and gear steering mechanism provides delightful handling ease under every condition of highway and traffic.

Truly, the Bigger and Better Chevrolet is a car to be proud of wherever you go—beautiful, smart and distinguished... and so easy and safe to drive that every mile at the wheel is a pleasure.
