## Ill Health the Greatest Obstacle to Happiness

Columbia, S. C.—"For several years after I married I suffered from poor health and weakness.

I wanted children but was not strong enough. My grandmother persuaded me to take Dr. Pierce's Favorite Prescription and it soon built me up in health and strengthened the organs. I am now the mother of three very healthy children and my health is fine. When I feel the need of a tonic I always take the 'Prescription.' I cannot say enough in praise of this wonderful medicine for weak and ailing women."—Mrs. W. O. Fruit, 2024 Main St.

While each was attempting to rob a London jewelry store without knowledge of the other, two burglars met in the dark and had a fight, the noise causing the arrest of both.

H. A. Pierce and D. W. Bryan of Reading, Cal., who have been sentenced to seven years imprisonment for highway robbery, got only 15 cents from the man they held up.

Miss Cecilia Cichicki of Chicago, suing for divorce, was charged with throwing hot potatoes at her husband, but she declared she would not waste potatoes on him.

The prison sentence of Howard Harter, convicted of burglary at Hartsford City, Neb., was suspended on condition that he must attend church every Sunday.

# It's easy to tell

that this oil is better for when the motor idles or when the hill is steep, you feel the difference—it's an oilier oil which takes a hold on metal and "stays put"

## A real road test

Sixty cars and trucks were operated for two months with a good oil commonly used by motorists, and then for two months with "Standard" Motor Oil—nearly 200,000 car miles in all. The same gasoline was used throughout.

With "Standard" Motor Oil these cars averaged 8.5% greater mileage per gallon of oil. The better piston seal and greater power resulted in 12.7% more miles per gallon of gasoline.

The greater oiliness of "Standard" will have the same effect in your car.

# "STANDARD" MOTOR OIL

"Standard" Greases, Transmission Oil and Gear Compound are made with the same care as "Standard" motor fuels and motor oils.
