NERVES Went to Pieces

"I suffered a long time, before I tried Cardui," says Mrs. Lillie Pruitt, 130 "K" St., Anderson, S. C.

"I was badly run-down in health. My nerves went to pieces, and I had to go to bed. I got so bad off, I could not bear to have anybody walk across the floor of my room. The least little thing upset me. Sometimes I became hysterical. I had bad pains in my back and sides, and my head and limbs would take spells of aching, which almost set me wild.

"One day I saw where a woman, who had a trouble like my own, had been relieved by Cardui. I decided at once to try it. It began to help me from the very first. I took Cardui regularly, for several months, and my improvement was so remarkable my family and friends were delighted."

Try Cardui for your troubles.

SCARBOROUGH REVIVAL WILL OPEN JULY 22

Plans are going forward with reference to the Scarborough revival, which will be held at Forest City, beginning July 22. Professor I. E. Reynolds, whom Dr. Scarborough characterized as the greatest song leader in the South, will have charge of the music. Dr. Zeno Wall, pastor of the First Baptist Church of Shelby, a former Rutherford county boy, will do the preaching from July 22 to 26. At this time Dr. Scarborough will arrive and go on with the meeting.

This meeting will be held in a large tent and will not be for the Forest City Baptist church alone, but for all of the churches in the Sandy Run Association, as well as part of the Green River Association.

MT. VERNON NEWS

ALEXANDER-FOREST CITY TEAM IS STRENGTHENED

The first game of the Carolina Textile League to be played in the local park will be played Thursday when Forest City-Alexander will meet the strong Bessemer City team.

"Smoky" Davis, new hurler, will probably be on the mound for the local team.

The local team has not been setting the league on fire but when the team trots out on the field Thursday they will have a much stronger team than they have presented thus far on account of the addition of several of the local high school and former college stars.

With the signing of "Jeeks" Blanton, Forest City high third baseman, the team will be greatly strengthened at the hot corner. Blanton hung up a remarkable record during the spring at third base for "Babe" Seitz's high school champions and will no doubt be the class of the league this summer if given a chance to display his goods.

Willie Moss and Joe Hamrick have also signed up with the local team.

Moss was regular first baseman for the "Demon Deacons" until a broken ankle put him out of the game this spring. However his ankle is now in fine shape and he is ready to show local fans the same class of baseball that he has shown in days gone by.

Hamrick was a substitute first baseman at Wake Forest two or three years ago.

Thirty-six business houses will close their doors Thursday afternoon and their employees will see the local team in action for their first time.

SOUTHERN RAILWAY SYSTEM

THE SOUTHERN SERVES THE SOUTH

The first American-built locomotive to enter actual service hauled its first passenger train on what is now a part of the Southern Railway System.

In the years that have followed, one of the world's great railroad systems has been developed in the South, serving that territory east of the Mississippi and south of the Ohio and Potomac as perhaps no other section of equal extent is served by any one railroad system.
