CAR JUMPS PRECIPICE, OCCUPANTS ARE UNHURT

Chimney Rock, July 3.—One of the narrowest escapes from death ever seen in this section of the county occurred here last Friday morning at Spurgeon Taylor, and occupied by Spurgeon Taylor, and occupied by wife and three children, all of Glenn Rock, Pa., hit a car driven by Mr. J. M. Harrill, of Forest City, turned around in the highway and skidded over an embankment and down a deep precipice. The car lodged further down the precipice against a tree, with none of the occupants hurt.

Mr. Harrill, accompanied by Mr. G. C. King, was driving west in the Chimney Rock development. Mr. Taylor coming east, at a rapid rate of speed, rounded a curve and struck Mr. Harrill's machine. Mr. Taylor's car was knocked around by the impact, which caused it to head over the embankment and jump the precipice. A tree stopped it from going further down the mountain. The occupants attribute the steel frame of the closed car as the means of saving their lives.

Neither car suffered any considerable damage.

CARD OF THANKS

I wish to thank each and every one who took part in the play "Mile a Minute," which was given last Friday night under the auspices of the Woman's Club. The music furnished by Moore's orchestra was greatly appreciated.
