**Lena Timbers, Colored, Dies at Hospital As Result of Injuries Received in Wreck**

Rutherfordton, July 16.—Lena Timbers, aged 55, negress, of Hamlet, died Saturday in the hospital here as a result of injuries sustained in an automobile accident at Puzzle Creek bridge, one mile south of Forest City Sunday July 8. Two other passengers in the car were injured, but are expected to recover.

Sandy Perry, colored, of Hamlet, driving a Buick roadster, was coming north, according to witnesses. In the car with him were Lena Timbers and her daughter, also of Hamlet. The car was forced off the highway at the curve, by two other cars which were attempting to pass. The negro driver piloted his car up the steep bank to the right of the road. It ran four or five feet up the bank, turned completely over and landed back in the highway on its wheels. It is thought that the Timbers negro was thrown clear of the car and that it fell on her as it came down. The injured were taken to the Rutherford Hospital by passing motorists, where the Timbers woman died Saturday.

## AT EVENING N. B. J.

At evening, at evening,  
When the day is through,  
I hear a foot on the pathway,  
Which I know is you.

At evening, at evening,  
I'm very tired, its true,  
But weariness always fades,  
When I get a sight of you.

At evening, at evening,  
To my God for His blessings,  
My deep thinks are then due,  
Since the one I wait for is you.
