Mr. and Mrs. R. E. Ledbetter and Mr. and Mrs. Carl Ledbetter, of Shelby and Mr. and Mrs. E. L. Holland, of Sharon visited Mr. and Mrs. D. E. White Sunday.

#### CLUB SHORT COURSE NEXT COLLEGE MEETING

Raleigh, July 23.—Following close upon Farm and Home Week being observed at State College this week, the next great gathering of farm folks will be the annual Four-H club short course beginning July 30 and ending August 4 when between 800 and 1,000 farm boys and girls of

North Carolina will assemble for intensive training.

The course will be in charge of L. R. Harrill, state club leader, and Miss Maude E. Wallace, assistant state home agent. In addition to the class room work provided for the two groups, there will be a number of joint meetings and a selected number of farm and home agents will come in from their home stations to aid with the work. Certain of the home agents will act as dormitory mothers and chaperones.

Most of the instructional work will be given by members of the college faculty, states Mr. Harrill. However, there will be some imported talent, especially in the field of organized play and recreational work. Miss Wallace has planned at least three cultural courses for the girls, one of which, music appreciation, will be given by Miss Fannie R. Buchanan, an expert from a leading talking machine company. In addition there will be courses for the girls in food and health, clothing and health, room and home improvement and poultry growing. The courses for the boys will pertain to crops, livestock, forestry, horticulture and poultry.

Only a small sum will be charged the young folks for their board and laboratory supplies. Many of the delegates will have their expenses paid by home organizations.

The program for each day will begin at 6:15 in the morning and last through until ten o'clock at night. In addition to the lecture and demonstration work there will be swimming parties, sight-seeing trips, competitive games, motion pictures and other forms of entertainment.

### RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderless has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or over increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderless at night. Next day bright. Get 24 for 25c to-day at the nearest Rexall Drug Store.

### Go Away Insured

When you take a trip by rail or road, it is a comforting feeling to know that you need not worry about the things you leave behind.

That is your feeling if your insurance is in the hands of this agency of the Hartford Fire Insurance Co. You know that you are properly insured against loss. You know that your investments are protected. We will even insure your baggage.

Let us help you.

THE sensational popularity of the Bigger and Better Chevrolet is due in great measure to the fact that it is the biggest automobile in the world available at such low prices.

It is built on a wheelbase of 107 inches—and on this longer wheelbase Fisher craftsmen have designed bodies of marvelous beauty with wide, deep-cushioned seats and ample head and leg room and generous seating capacity.

Translated into terms of comfort,

safety and utility—this additional size is of vital significance in the low-price field. For it means that the buyer of a low-price car can now secure the balance and roadability that only a longer wheelbase can provide—plus the restful comfort of ample room for both driver and passengers.

Come in for a demonstration—and bring the family along. See for yourself what a difference the Bigger and Better Chevrolet provides in seating and riding comfort.
