

## YOUNG TAR HEEL FARMERS RETURN FROM STATE CAMP

Cool Springs Chapter Members Spend Week at White Lake in Bladen County

The Cool Springs High School chapter of Young Tar Heel Farmers spent last week at the state camp for the organization at White Lake. They left Forest City Monday, July 30, at one o'clock driving a bus and returned Saturday, August 3. They camped at White Lake with one hundred and twenty-seven boys from six other schools, representing every section of the state. The Cool Springs boys were the most Western school represented and Moyock School chapter from Currituck represented the extreme east. Startown, Garner, Woodleaf, China Grove, and Eli Whitney were the

other schools at the camp last week. The camp site was given to the vocational agricultural students of the state by the Pharr Company and Mr. W. A. Atkinson. The buildings were also erected by Messrs. Query Pharr and Atkinson and are to be paid for by the Young Tar Heel Farmers. These buildings consist of six cabins, a guest house, servants' quarters, and a kitchen and mess hall. They are on one of the prettiest sites at White Lake. The grounds include a splendid athletic field and athletic sports are the order of the day at the camp.

Bob McMillan, of Davidson College is athletic director of the camp. Mr. and Mrs. J. S. Howard have charge of the camp and each boy takes his own provisions. Mr. Howard is supervisor of the eastern district for vocational agricultural schools and Mr. A. L. Teachy, supervisor of the west central district was one of the camp guests while the boys were there.

On Wednesday the Startown, Garner, Woodleaf, China Grove, and

### GOES TO BOILING SPRINGS

Miss Katherine Goggans, who for the past four years has been organist and choir leader at the First Baptist Church, has resigned her position, effective last Sunday, to take a place as Director of Music at Boiling Springs. She will begin her new duties, September 3. Miss Goggans is a talented musician and a fine young lady of culture and charm. She has accomplished a great work in Forest City, and her many friends regret her leaving the work here.

Mr. James Clayton, of Louisville, Ky., is the guest of his cousin, Mr. Howard Camnitz, Jr., in Chimney Rock.

Cool Springs boys drove down to Wrightsville Beach and spent the day there. On Friday the Cool Springs boys went to Raleigh and spent the day sight seeing. They visited the State Hall of History, the capitol, the state museum, the North Carolina Experiment Station, and State College.

## HUDSON-ESSEX CARS AVAILABLE IN NEW FALL COLORS

An Interview with Mr. W. H. Haynes, of the Cliffside Motor Company.

Hudson and Essex cars are now available in smart fall colors and are being especially exhibited all over the county, according to Mr. W. H. Haynes, of the Cliffside Motor Co., Hudson-Essex dealers. These colors, declares Mr. Haynes, set off effectively the advanced lines and vogue which characterize the current Hudson and Essex cars.

Mr. Haynes continued: "Attractive lines and colors play a most important part today in the public's choice of motor cars. Hudson-Essex sales which have broken records all this year have centered largely around style and beauty as well as Super-Six performance.

"The great achievement in style is to create something which is permanently attractive. Hudson style designers are interested in producing effects which are more important than seasonal fads. They achieve lines which will be as fundamentally beautiful next season as they are today.

"Along with this they keep immediately abreast of advanced vogue and practices. Our latest feature is a standard line of Hudson cars with all fenders and related parts lacquered to match the upper part of the body. This is instead of the usual black enamel which is the industry's standard practice for these items. Color in the fenders and related parts gives a wonderfully attractive effect and yet these specially finished cars sell at no advance in price. Hudson has spent \$1,000,000 in a special plant to make this possible.

"The growing importance of color is an extremely interesting recent phase of manufacturing. Especially it reflects the strength of feminine influence. We offer colorful cars because feminine taste guides the selection of new automobiles just as it shapes the great majority of ex-

### MORROW TELEPHONES NEWS OF SETTLEMENT

The new international telephone service between Mexico and this country was utilized by Ambassador Dwight W. Morrow to give the United States Government the first information that settlement had been made of the Mexican oil dispute, which for almost eleven years has been a source of controversy between the two countries.

A new submarine telephone cable has been laid across the Mississippi River from the Mississippi to the Louisiana bank at Natchez. The large increase in business between Natchez and points to the West necessitated the laying of this cable.

Miss Kathleen Baity, of Lawndale, spent the week end with Miss Virginia and Mr. Howard Magness. Misses Baity and Magness were the dinner guests of Miss Kathrine Moore Sunday.

penditures by modern families, and it has decreed a permanent vogue for smart attractive tones.

"All Hudson-Essex cars this year are offered in modern style and appealing colors. The variety is wide. All the colors used are practical and of the type that wears well, and yet they have a sparkling and stimulating effect which adds to the enjoyment of owning them.

"Hudson-Essex has advanced to the position of the world's largest builder of six cylinder cars because its cars meet the requirements of modern style and beauty as well as the best mechanical construction known."

Hudson and Essex cars are being shown in new summer and autumn colors, but the Hudson Motor Car Company has announced to its dealers that otherwise the cars will continue unchanged. It is declared that the popularity of these models has given the company the greatest volume of business it has ever had.

Several two-tone color effects are announced, as well as Hudson fenders lacquered in colors. Optional wire wheel equipment in contrasting colors is also offered. adv.

### HISTORICAL COMMITTEES TO MEET FRIDAY EVENING

The committees recently selected by the Rutherfordton and Forest City Kiwanis Clubs and the Rutherford County Club, to consider the advisability of marking Rutherford County's historic spots, will meet Friday evening at 7:30 at the Spindale House, Spindale, for an organization meeting and to discuss the project of erecting markers in the county.

The members of this committee are as follows: representing the Forest City Kiwanis Club, Charles Z. Flack, Rev. G. R. Gillespie, and Prof. C. C. Erwin. Representing the Rutherford County Kiwanis Club, O. C. Erwin, H. L. Carpenter and J. L. Taylor; representing the Rutherford County Club, K. S. Tanner, G. B. Howard and J. C. Cowan, Jr., and member at large, County Historian Clarence Griffin.
