

KIWANIS CLUB HOST TO COOL SPRINGS TEACHERS

Forty-Eight Members of Faculties of Township Schools Enjoy Hospitality of Club

The Forest City Kiwanis club broke all records for entertainment Monday night of this week as host to the public school teachers of Forest City, Alexander, Bostic and Mt. Pleasant. Forty-eight members of the several faculties formed a colorful setting of beauty, brains and personal adornment, a splendidly arranged and delightful program in charge of Prof. J. W. Eakes, superintendent of Cool Springs township schools. In his own happy and humorous manner, immediate past-president of the club, John Dalton, heartily welcomed the teachers to Forest City, the township and Kiwanis. The response, in behalf of the teachers, was a gem in the setting and in the person of Miss Gertrude Prince, of Cool Springs High school.

Much merriment was caused in the unexpected call upon three bachelor members of the club to show themselves forthwith in the midst of all the maidenly beauty and modesty and set forth their many virtues, attainments and qualities to prospective candidates for matrimony.

With Mrs. Wilson at the piano, a quintet composed of Misses Gaines, Ruth Meares, Myers and Harper and Mrs. Moore, entertained with exceptionally fine vocal renditions of "Hawaiian Moon," "My Wild Irish Rose" and "Highways Are Happy Ways." An exciting music memory contest was enjoyed, with Miss Ruth Meares playing the numbers to be filled in the blank spaces of a wedding ceremony and honeymoon trip.

Preceding the program of the evening the club unanimously concurred in a suggestion of the Rutherfordton club that Shelby, Rutherfordton and Forest City clubs meet in joint session at Blanton's banquet hall, Thursday night, October 25. First Vice-President Plack, Second Vice-President Doggett, Secretary Giles and Trustee Gillespie were appointed as delegates to the Carolinas convention at Winston-Salem, October 11 and 12.

Supt. and Mrs. Clyde Erwin were among the guests.
