

G. R. GILLESPIE KIWANIS GROUP LEADER OCT. 11

C. R. Pugh, District Governor,
Compliments Mr. Gillespie
Highly on His Work As
Trustee

Rev. G. R. Gillespie, one of the leading members of the Forest City Kiwanis club has been selected by District Governor Clarence R. Pugh as group leader at the district Kiwanis conference which will be held in Winston-Salem October 11. Dr. Gillespie will feature the Magness children, Virginia and Howard, in several musical selections. The Rutherfordton Club will feature Mrs. Ward, of Chimney Rock, in their program.

In writing Mr. Gillespie the district governor said "if one third of the citizenship of Forest City was one-half as enthusiastic as you are, I think it would be necessary to change its name to Utopia. Your activity and enthusiasm is indeed inspiring."

The following is the report of Mr.

SORE Could Not Rest

Mrs. J. H. Nichols, who lives at 513 Elm Tree Lane, Lexington, Ky., says:

"Some few years ago, my health was bad. I had very severe pains in my sides. My nerves were in a terrible condition. I could not rest."

"The lower part of my body was very sore. I did not feel like eating, and did not sleep well at all at nights."

"A friend of mine recommended Cardui. I began taking it and saw quite an improvement in my condition. I kept it up until I felt strong and well."

About a year ago, Mrs. Nichols says, she found herself in a nervous, run-down condition. "I took Cardui again," she adds, "and it helped me wonderfully. It is a splendid tonic."

Cardui is a mild, medicinal tonic, made from purely vegetable ingredients.

Gillespie which was prepared for the Asheville division meeting, in Asheville, Friday evening, on the progress and accomplishments of the Forest City Club:

Report of District Trustee Gillespie on Accomplishments of Forest City Kiwanis Club, Asheville Division Meeting.

Forest City, Sept. 7, 1928.—While attempting nothing of a spectacular nature, the Forest City club has enjoyed a delightful series of worthwhile programs during the present year, and has accomplished some outstanding constructive work that has proven successful in the building of the club personnel, closer relations between town and country, higher standards for schools and teachers, in the direct interest of our privileged and underprivileged children, physically, mentally and morally. In the sponsoring of the Boy Scout movement, school athletics and clinics for the crippled.

"A larger acquaintance has been acquired through joint meetings, held with neighboring clubs each alternate month of the year, featuring a spirit of comradeship and fellowship, stimulating social and commercial interests and an interchange of policies and methods that could be obtained in no other way. One joint meeting with the Tryon club, two with the Rutherfordton club and a five club meeting at Lake Lure, on July 4, when members of Hendersonville, Tryon, Rutherfordton, Shelby, Gastonia clubs and their families met with our club for an all day picnic, when we were privileged to have with us Gov. Pugh, Lieut. Gov. G. Lyle Jones and Field Representative Elmore.

"In the interests of our town and surrounding rural communities the club has sponsored the building of a 10,000 bushel capacity sweet potato curing house, a new curb market building, that is prospering and satisfying both farmer and city housekeepers, with regular offerings two days each week. In the absence of any commercial organization the club has functioned as the Forest City Chamber of Commerce, and through its industrial committee, has gained much worthwhile publicity at home and abroad. Has been largely instrumental, through land options, interesting of R. R. officials, and conservative advertising, always with an eye single to the beautifying of the town, in having the Agricultural Department of the U. S. Government proclaim Forest City as "One of the ten best planned cities in the U. S."

"Besides adhering faithfully to program suggestions by District and International, we have overlooked no opportunity to widen our scope of usefulness in the entertainment of the champion High School base-ball team of North Carolina, teachers in our public schools, city and county civic interests, Boy Scouts of America, and all delegations of officials and business people on itineraries through our town. The most recent of which was a luncheon for the Southwest Virginia Motorcade of 75 business representatives from the Old Dominion State. The latest move of the club was the occupying of one of the handsomest banquet halls in W. N. C., located on the South Side of the business circle, where the

latch string is ever dangling on the outside for all visiting Kiwanians and their friends, every Monday evening at 7 p. m.

We like to sing with Eddie Guest, "The joy of life is living it and doing things of worth,

In making bright and fruitful all the barren spots of earth.

In facing odds and mastering them and rising from defeat,

And making true what once was false, and what was bitter, sweet.

For only he knows perfect joy whose little bit of soil

Is richer ground than what it was when he began to toil."

ELLENBORO CANNERS PURCHASE 7,000 CANS

Ellenboro, Sept. 10.—A total of 7,000 tin cans have been purchased this season by the Ellenboro Cannery Association and distributed to its members at a great saving to them. It is believed that the association has done much to stimulate more canning within the community this year by furnishing cans at a cheaper price and is doing much to influence a better live-at-home program within the township.

The association which is a federation of many small canning units within the community and organized several months ago, now has a total of forty members. Two of the members have canned more than 1,000 cans each.

Very little canning has been done this year under the association's brand. However, plans are being made to can for the market another year.

The teacher of agriculture purchased and distributed the cans to the people of the community without commission.

IN MEMORIAM

Resolved; by the Shiloh Board of Deacons, of which Mr. A. S. Jones was chairman, that we realize our great loss in his cool advice in all our conferences, but humbly bow to the commands of the Great Creator who is able to comfort the family and hosts of friends looking for that Great Day when we shall all meet in full accord doing business for the King just as He wishes.

A. G. Melton, Moderator and Pastor.

A. G. Hamrick, Chairman of Board.

This, the 22nd day of August, 1928. WACHOVIA BANK AND TRUST CO., Trustee,
By W. B. Williamson, Assistant Trust Officer. 47-4t.

"SHORTY" BIGGERSTAFF GOES TO AUBURN

No longer will basketball and baseball fans see Wm. "Shorty" Biggerstaff in a Forest City Hi uniform. Biggerstaff went to Auburn College, Auburn, Alabama, Wednesday, September 5. Biggerstaff did not play football. He was one of the main cogs in winning the state championship in baseball. May the writer add that he was one of the cleanest and best athletes that Forest City High School has ever produced.

INTERESTING POSTAL CARD BROUGHT TO LIGHT

Mr. J. C. Scruggs recently found, while going through the papers of Mr. William Martin, deceased, a postal card mailed at Buffalo Mills to Mr. Martin at Burnt Chimney in 1875. This card was mailed by the agent of the Carolina Central Railroad, now the Seaboard, at Buffalo Mills, four miles east of Shelby, and was addressed to Mr. Wm. Martin, Burnt Chimney, N. C. Mr. Martin was notified that he had a lot of machinery, weight 2870 pounds, at the depot there on which the freight was \$8.98. The card was dated August 16, 1875.

Buffalo Mills was at that time the terminal of the Carolina Central railroad, and it was necessary that Mr. Martin transport his machinery by wagon to Burnt Chimney, now Forest City. The Carolina Central, or Seaboard, did not reach Forest City until several years later.

An interesting item about this card is the comparison in freight rates of then and today.
