

## REPARATIONS UNDER WAY FOR COUNTY FAIR

indications Point to One of Best Fairs in History of County—Dates Oct. 2, 3, 4, 5, and 6

Spindale, N. C., Sept. 12.—Preparations for Rutherford County's biggest and best fair are actively under way. The fair dates are October 2, 4, 5, and 6th. Improvements are being made at the fair grounds, and indications point to the largest fair ever held.

The first day, Tuesday, will be a cool day, and at that time all of Rutherford county's school children will be admitted free. Last year approximately 10,000 school children were present. A spectacular fireworks display will be the feature of the evening during the fair week. A number of free acts have been contracted for which will be shown afternoon and evening in front of the grandstand. Professional horseracing, a feature of the fair heretofore, will be barred this year. However, local races in mule races, horse races, and under local management, will take their place. An added feature on Thursday night, October 6, will be a professional prize fight, preceded by several preliminary fights by local boys.

Rutherfordton - Spindale Central High school and Cool Springs High school, of Forest City, ancient rivals will clash in their annual football game at the fair ground at 10 o'clock

on opening day. Several thousand people are expected to attend this game.

With good crops in Rutherford county the farm exhibits promise to be the best in several years.

## HOLLY SPRINGS NEWS

Harris, R-1, Sept. 9.—Rev. D. J. Hunt filled his regular appointment at Holly Springs Sunday afternoon and preached a very interesting sermon.

## LOCAL HATCHERY TO BE MOVED TO SPINDALE SOON

Farmers Federation, Inc., to Operate The Forest City Hatchery—Mr. Paul Duncan in Charge

Spindale, Sept. 11.—The Farmers Federation, Inc., has taken over the Forest City Hatchery and will move it to the Spindale branch of the Farmers Federation this week according to Mr. O. J. Holler, president of the local Federation.

The Forest City Hatchery is one of the largest commercial hatcheries in Western North Carolina, and is a valuable addition to the Farmers Federation system of hatcheries in the state. The work of removing the equipment from Forest City to Spindale will be done this week, just as soon as an expert arrives to assist in the re-placing of the machinery.

The Farmers Federation will operate the hatchery on a commercial basis similar to that on which it has been operated. Custom hatching will be one of the principal objects, for the time being at least. The hatchery will be open for business just as soon as it is installed in the Spindale warehouse. Mr. Holler thinks that the machines will be ready for eggs sometime next week.

Plans are now to make the Spindale Hatchery one of the outstanding hatcheries in Western North Carolina. Within late years there has been a renewed interest in poultry raising in the county, due partly to the poultry cars which run in the county at periodic times, to the Rutherford County Poultry Association and to the awakened realization of the profit to be made on every farm by the raising of a flock of poultry.

Mr. Paul Duncan, who has been operating the hatchery since its inception here, will be in charge of it at Spindale. After January 1, 1929, Mr. Duncan will become manager of all the hatcheries operated by The Federation in Western North Carolina.

Mr. Duncan is considered one of the outstanding poultry men of North Carolina. Prof. Winters, of the Ohio State University, following a visit to Forest City a short time ago, said that he considered Mr. Duncan one of the best informed poultrymen in North Carolina. Mr. A. W. Farnum, of the Quaker Oats, Co., stated that, if he was in the poultry business, he knew of no one that he would rather have in charge than Paul Duncan. Mr. Duncan has had broad experience in this field, having operated commercial hatcheries several years. He was at one time connected with the State Test Farm at Swannanoa, in charge of the poultry there, and has owned and operated the Forest City Hatchery for sometime.

## YOUNG MAN INJURED IN AFFRAY AT ALEXANDER

Claude Miller, young man of Alexander Mill, is in the Rutherford Hospital, recuperating from knife wounds, and his father-in-law, Mr. Towery, also of Alexander, is in jail, charged with an affray as a result of alleged domestic difficulties Sunday afternoon.

It is reported that Miller went to the home of his father-in-law to get his wife Sunday afternoon. While there some difficulty arose which led to the affray, according to reports. Miller received three gashes from a knife wielded by Towery, it is said. Two of them were in the side and one in the stomach. Miller also received a gash in the head, said to have been caused by a rock thrown by Towery. Miller was immediately taken to the hospital where at latest reports he is resting nicely. Towery was placed in jail to await a hearing before the Recorder.
