## Wayside Gang Holds Interesting Meeting

The Wayside Gang held their regular monthly meeting on Tuesday evening 7:30 in the banquet hall of Blanton's Cafe.

After dinner the regular routine business was disposed of and at this time it was decided upon to go to the Rutherford County home on Sunday afternoon, October 14th at 2:30 and give a program for the inmates there. All members of the gang who have cars are asked to be at the home of Miss Ollie Tate (next door to Mrs. Kate Wilkie) on West Main St., promptly at 2:30, so that they may arrange to take members who do not have cars. Come on gangsters and let's go and give these people a little cheer and show what the "Wayside Gang" stands for and does for a community. After business, Howard and Virginia Magness favored us with several vocal duets which were greatly enjoyed. Miss Bernice Kanipe who is one of our talented readers, gave "Salute Your Bride," which was filled with wit and comedy. Miss Kanipe received a round of applause. Reports were given by different members who are in correspondence with several "shut-ins" all over the country, they telling of the cheer and benefit they are deriving from a word of cheer from the outside world. One young lady was present who was operated on in June in a hospital in Virginia and told of receiving fifteen letters in one mail from gangsters and how when the nurse brought it to her remarked "I never before saw any one in my life receive so much mail and no wonder you look so happy!" This young lady then explained about the Wayside Gang and what it stood for and the nurse and others who were present promptly replied it was a wonderful work. Come on and join the gang so that you too may enjoy the thought that you can brighten the long hours of the many "shut-ins". Don't forget to be on time next Sunday afternoon to go to the county home—2:30.
