Will Begin Practice This Week and Play First Game First Week in November

Spindale, Oct. 22.—At a meeting held at the Spindale House Thursday night the Spindale basketball club was re-organized and officers for the season elected. J. E. Berry, superintendent of the Spindale House and former all southern basketball player, was selected to serve again this year as coach of the team. Clarence Griffin, manager during the past two seasons, was again re-elected as business manager. J. U. Grose, last year's flashy forward, who retires from the game this year on account of impaired health, was elected assistant business manager.

The team will begin practice work this week, practicing four nights per week, for a short while. The team will play its first game about November 1st.

Prospects for this year's team is good. A splendid line-up has been secured and it is expected that the club will make even a better record than that of last year.

Berry and Sherrill played in twenty-five of the games, making 252 and 223 points respectively. The other players scored in this order: Grose, Williams, Yelton, Clay, Bullington and Walker.

Sherrill, Berry, Williams, Yelton and Clay are among the old teammates back this year. Hardin, of last year's Florence Pirates; Boone of Kings Mountain Mountaineers and Shehan of Inman, S. C.; are new acquisitions, while several of the last season's junior team are trying for places this year.
