#### Y. W. A. Gives Program

Tuesday night, October 16, the Y. W. A. girls had their regular program. The devotional was conducted by Lunette Odom. After which Miss McKown gave a good talk on "My College Purpose." Following this talk the five ideals of the Y. W. A. were introduced. The girls were all dressed in white and each girl wore a green Y. W. A. monogram pinned over her heart. As the ideals were introduced each girl pledged to uphold these ideals by pinning a star on her monogram. The ideals of the Y. W. A. are: Prayer, Bible Study, Personal Service, Stewardship and Mission Study. After the ideal, Bible study, was introduced, Miss Woody sang very beautifully, "My Mother's Bible." At the close of the program Rev. Jenkins led in a prayer that the girls might joke, work, and abide as never before.

The girls were glad to have the members of the faculty present.

#### Faculty Recital

Miss Goggans, teacher of music, and Miss Woody, teacher of voice gave an unusually interesting recital in the school auditorium October 5, 1928.

Miss Mary Byers, an attractive young lady from Gaffney, S. C., assisted them by giving reading.

This recital was enjoyed by the audience as much as any musical program ever given in this vicinity. Miss Woody and Miss Goggans were both praised for their wonderful talent, and were encored a number of times.

Miss Woody dressed as an old fashioned girl made an ideal picture as she sang a groupe of old southern songs.

The program was as follows:  
 Concerto in G Minor—Mendelssohn—First Piano, Miss Goggans;  
 Second piano, Miss Woody.

Solo—Polonaise in C—Hammer—Miss Goggans.

#### B. Y. P. U. Social

October 20, a B. Y. P. U. Social was given for the members of the two sections of B. Y. P. U. in the reception hall.

The hall was attractively arranged with flowers, autumn leaves, and potted plants.

This being the first Social this year, a goodly number attended. Several visitors were present. One of which was Miss Mary Ayers from Forest City. She honored the students by singing a most charming song, "Tying Apples on a Lilac Tree."

Games were played throughout the evening which served in helping the boys and girls have a good time as well as changing partners.

Nearing the end the jolly crowd was led to the dining hall, where punch, cakes, and grapes were served.

At the close of this the crowd again assembled in the hall where they talked for a while longer before they, regrettingly had to say good-bye.

We are all looking forward to another B. Y. P. U. Social, and hope that it will be as much fun as the first.

## "LILAC TIME" A GREAT PICTURE

### Great War Drama at Horn's Theatre Saturday and Monday

Another fine film production is added to those that fans should not miss in First National's big special, "Lilac Time," which opens for a two-day run at Horn's Theatre Saturday. A dramatic portrayal that overshadows anything we have seen on the screen in many months is given by Colleen Moore in the stellar role. "Lilac Time" is ably produced by John McCormick and splendidly directed by George Fitzmaurice. It is a simple, realistic and charming romance with the World War as a background.

We see Miss Moore as the pathetic little figure in the midst of war's alarms. She hides her tears behind a smile as her sweetheart flies away to almost certain death over the lines of the enemy. We are enthralled at the romance, gripped by the suspense and thrilled by the dramatic scenes of this great love story as it unfolds before us.

But always the artistry of the star dominates. Not even the marvelous scenes of aerial fighting, the best ever made for the screen, can overshadow the subtle, heart-throbbing characterization of Jeannine at the hand of Miss Moore.

Gary Cooper, remembered for his fine work in "Beau Sabreur" and "The Legion of the Condemned," does even better work in "Lilac Time" as Jeannine's sweetheart, and the others in the company contribute their share towards the success of the picture.

Mr. Horn is being congratulated by his friends for bringing this great picture to Forest City.

Remember the dates, Saturday and Monday, November 10 and 12.

"I've the gen't'man what stole the chickens."

only by giving more and better training in public speaking but also greater training in leadership. Its members will be required to obey every law and regulation of the society and every member will be urged to do the best work possible. The society feels that its work is one of the most important factors connected with this school, and has started the work with earnestness. The new members as well as the old have already shown a spirit of loyalty and devotion, as well as a willingness to work.

#### B. Y. P. U. Notes

The B. Y. P. U.'s of Boiling Springs Junior College are doing splendid work. After the various unions have given the program in their respective places they meet for a general assembly. In this assembly the report of each union is read. And in addition to this there is a short, snappy program put on for the purpose of creating enthusiasm.

### ELLENBORO POTATO HOUSES FILLED TO CAPACITY

Ellenboro, Nov. 5.—The two sweet potato houses at Ellenboro were filled to their capacities during the two weeks that they were open to receive potatoes. In fact the last lot of fifteen bushels brought to the house were placed in the walkway through the house because all of the storage space had been taken up.

All of the potatoes are stored in U. S. Standard bushel crates and each crate in the houses that make up the 10,000 bushel plant is numbered. Each grower has a number and that number is placed on all of the crates stored by him. Again, this system provides for the identification of any crate at any place and at any time.

The potatoes in the house are now being cured by Mr. Elijah Hamrick who is in charge of the houses. The temperature is to be kept at about 65 degrees for a period lasting ten days to two weeks after which it will be gradually dropped to 55 to 60 degrees and kept there the remainder of the season. During the drying-out period the ventilators in the floor and in the roof are left open to rid the houses from moisture.

In addition to supplying the community with good-quality sweet potatoes for home-use and for bedding the Ellenboro sweet potato crop should give local farmers a good-pay-day next spring.

### MUCH COTTON GINNED

## SORE

### Could Not Rest

Mrs. J. H. Nichols, who lives at 513 Elm Tree Lane, Lexington, Ky., says:

"Some few years ago, my health was bad. I had very severe pains in my sides. My nerves were in a terrible condition. I could not rest.

"The lower part of my body was very sore. I did not feel like eating, and did not sleep well at all at nights.

"A friend of mine recommended Cardui. I began taking it and saw quite an improvement in my condition. I kept it up until I felt strong and well."

About a year ago, Mrs. Nichols says, she found herself in a nervous, run-down condition. "I took Cardui again," she adds, "and it helped me wonderfully. It is a splendid tonic."

Cardui is a mild, medicinal tonic, made from purely vegetable ingredients.
