

## MRS. SALLEY EDNEY DIES FROM HURTS

### Coroner Fixes Thursday for Investigating Circumstances of Accident in Gaffney

Gaffney, S. C., Nov. 20.—Mrs. Sallie Edney, 58, who was injured October 31 when struck by a passenger bus in front of her home on Cherokee avenue, Gaffney, S. C., died Sunday morning about 1:30 o'clock in the City Hospital there.

Funeral services were conducted Monday at Oak Springs in Rutherford county, by the Rev. C. A. Kirby, pastor of the Cherokee Avenue Baptist church, and the Rev. E. P. White. Interment followed with the Shuford-Hatcher Company, morticians, in charge.

The pallbearers were J. E. Price, Stanley Wilson, T. J. Cagle, Paul Wilkerson, C. E. Pennington and Jake Gaffney.

Coroner Buford F. Moore empaneled a jury Sunday morning to view Mrs. Edney's body and continued the inquest until Thursday. He stated Monday the hour for convening had not been decided.

Mrs. Edney was struck by a bus driven by W. E. Hullender, of Charlotte, just after she left an automobile and started across the street towards her home. Witnesses said the bus driver made every effort to avoid hitting her, but without success. The bus crashed into a standard size telephone pole and snapped it off at the ground like matchwood.

Mrs. Edney was taken to the hospital, where her injuries were considered serious but not necessarily fatal. She appeared to be improving for several days, but a few days ago complications developed and she was unable to recover.

She is survived by her husband W. C. Edney, and a son, Tom Edney,

who is connected with Cagle's plumbing establishment; and the following brothers and sisters: M. Johnson, Texas; Ira Johnson, Union Mills, N. C.; Thurman Johnson, Ellenboro, N. C.; Loran Johnson, Rutherfordton, N. C.; Mrs. Dave Bridges, Cliffside, N. C.; and Mrs. Minnie Morehead, Rutherfordton, N. C. Her father, T. M. Johnson, of Rutherfordton, R-4, also survives.

The most profitable time to market capons is around Christmas or the first of the year, says the U. S. Department of Agriculture. Capons should be fed a growing ration until 4 or 6 weeks before marketing, when they can be fattened by increasing the corn meal and corn in the ration. A very good finish can be fattened by pen or crate fattening for the last 2 or 3 weeks.

## TALK, TRICKS AND TIRES

There is more "talk" in the tire business today than ever before. There are more tricks, too. Old tricks in price cutting with brand new names: special sales, introductory offers, discounts, extra allowances, direct to consumers and others. Someone has to take the loss in such selling. You have doubtless discovered that by experience.

Amid this frenzied selling, men who buy tires by experience will not ignore the outstanding fact in the tire business.

### THIS:— MORE CARS RUN ON GOODYEAR TIRES THAN ON ANY OTHER KIND

So great is Goodyear popularity that every year Goodyear makes thousands more tires than any other manufacturer. A leadership that for ten years has gone unchallenged.

Goodyear supremacy was won upon the road where performance is the only judge.

It was won by concentrating the resources of the world's largest rubber manufacturer in a tire that would actually do what was claimed for it—out-perform any other tire on the road.

It was won by selling at FAIR PRICES, without seeking business at cut prices—and cut quality.

It was won by service that is always friendly, expert and in your interest. Service that maintains the Goodyear standard along the high-ways of the world.

Buyers of more than one hundred million Goodyear Tires will vouch for these facts.

If you would like to know why, come in and see the new Goodyears. And remember we sell the best oils on the market. Let us service your car.
