CHRISTMAS—"Peace on Earth"—a tradition which has survived through more than two thousand years, and is still being lived until today, nations know and have turned to it for guidance. It is not a false promise from creative power. It is a truth that has been found it difficult to believe and follow its teaching. It is that understanding, true humility and simplicity that has made it so powerful. Not by might, not by power; but the spirit of peace that has lived in the life of man. HAIL CHRISTMAS.

May a cheery, contented Christmas be yours—this is my wish for you.
