**A super-fine Service**

THERE are always those who demand extra quality and can afford it. Modern laundry machinery is exceptionally gentle and efficient. It does a good job—does it well, and secures lower costs, but in finest laundry work nothing can supplant the cunning and skill of the expert hand ironer. Each piece carefully hand finished by one of our experts, with prideful care and faithful attention to minutest detail. Our most complete service is a beautiful quality for discriminating people.
