MR. J. T. MCKINNEY DEAD

News has just reached here of the death of Mr. J. T. McKinney of Chesnee, which occurred at his home there at ten o'clock this morning (Tuesday). Mr. McKinney who was 86 years old was the father of Mrs. J. W. Crawford of this place. Her many friends here sympathize with her and the family in their loss.

BAPTIST CHURCH NOTES

A number expressed concern when it was learned last week that the pastor, Rev. R. C. Smith went to the Rutherford Hospital the first of the week. However he returned home on Friday afternoon.

Still a small gain in attendance in Sunday school last Sunday. Let's keep up the good work and make the Sunday school "Glow, grow and go."

Member of Troop No. 1 B. S. A., attended church in a body Sunday morning and occupied reserved seats at the front. The pastor expressed his pleasure at their presence and commended the great work of Scouting then he read the Scripture lesson from 1st Corinthians, 2. The text was 1st Cor. 4: 20, "For the Kingdom of God is not in word, but in power." The subject was "Creeds and

Deeds," and was said by several to be the best message the pastor has ever delivered here. Rev. Smith said that it did no good to argue creeds, but what the world needs most is a living demonstration that the kingdom of God is living in our hearts.

At the close of the morning service Mr. R. L. Guffey was received into the membership of the church by letter. We gladly welcome him.

At the evening hour preliminary to the observance of the "Memorial Supper" the pastor read from Luke 4: 16-24 and delivered a brief, but searching message with an application.

The T. E. L. Class will hold a social meeting at the home of Mrs. R. C. Smith on Friday evening of this week. All members and former members of the class are cordially invited.

Several circles of the W. M. S. and other organizations of the church are holding meetings this week.

The time Wednesday evening will be largely devoted to prayer. The Bible study will be resumed later.

Following is a good motto we clipped recently. "I am but one. I cannot do everything, but I can do something. What I can do I ought to do; what I ought to do, God helping me I will do." Remember, this when you are asked to do something in any of the various organizations of the church.

BOY SCOUTS OBSERVE ANNIVERSARY WEEK

For the second time in observing Scout Anniversary week the local boys have invited their dads and the local committee to join with them in celebrating. Last year it was at an oyster supper. On Monday evening of this week the boys and invited guests met at the Haynes ball park and enjoyed a camp supper. The Scouts paired with the visitors in cooking the meal and soon there was the aroma of coffee, bacon, sausages, broiling steaks and many other things that made it hard to wait until all was ready to eat. About the time the meal was over one of the fires was replenished until there was a large camp-fire blazing. At the sound of the Scoutmaster's whistle all came to order and sang "Hail, the Gang's all here." Then the troop held a brief meeting, this being the regular night for their meeting. After this there were charades, stunts, contests and many games in which the boys were much pleased to see that the visitors entered into with a show of genuine interest and gusto.

In several of the games and stunts

the visitors were first shown by the Scouts giving a demonstration. One game that afforded a great deal of fun is a race in which the contestants stand on two ordinary coffee cans with another can placed a little before them. At the signal the player steps one foot to the can in front and then must bend down and take the can he has just stepped from and place it in front and so on until the goal is reached. If one touches the ground he has to go back to the starting point and begin all over again. Two rather portly visitors were selected by the boys to race and one of them found that he could not quite reach down far enough to pick up the can. His efforts convulsed the boys with yells of laughter.

The Scoutmaster called all to order again soon after nine o'clock thinking that the visitors, not accustomed to the outdoor exercises would like to go home and to bed. The campfire was still blazing when the following song by the boys to the tune of "Taps." "Day is done, Gone the Sun, From the lake, from the hills, from the sky, All is well, safely rest. God is nigh." Then all joined in an Indian benediction after which all were at liberty to go home, but the boys and several of the visitors expressed a desire to stay longer. One of the "dads" yet in his thirties declared he had not had so much fun in years. It was after ten o'clock before the fire was finally extinguished and all had gone.

Another fine specimen of the art of taxidermy is on display in the lobby of the R. R. Haynes Memorial Building. Mr. Chas. McCurry has recently finished a course in taxidermy and his second job which is on display here is a wild goose. In the lobby now is a fine large eagle, two large hawks, the goose just mentioned and a Silver King Tarpon mounted on a suitable board. It was caught in the Gulf of Mexico by a Mr. H. S. Hardin on June 16, 1906—nearly twenty-three years ago. The fish is 5 feet and 9 inches long and weighed 128 pounds. A pretty good minnow, eh?

Mrs. V. B. Splawn, until recently of Cliffside accompanied by Mrs. Sharp and two daughter, Bettis and Mollie, all of Traveler's Rest, S. C., attended services at the Baptist church Sunday and were dinner guests of Rev. and Mrs. R. C. Smith. Mrs. Sharp is the wife of the superintendent of the Mills at Traveler's Rest.

THE CITY SO FAIR

In the Bible we are told, Of a city of light. Where the streets are of gold Shining so bright.

Where some of our loved ones Have gone on before, To that beautiful home, Where sorrow is no more.

I want to go there, When my time comes to die, To be with my loved ones In that city so fair.

With Jesus forever, On the bright strand, Around the great throne, Forever to stand.

The GREATER HUDSON

and Motordom calls for **LARGEST HUDSON output** of all time

Already in response to the public's demand, production of the Greater Hudson has been increased, and then increased again — by far the largest schedule Hudson ever found necessary.

In their own words, by their marked and recorded ballots, motorists by tens of thousands are telling us the Greater Hudson is truly the greatest of all time.

Voting in every Hudson salesroom in the country, these enthusiastic multitudes have piled up the most convincing endorsement in Hudson history. Perhaps even more important, they have bought these beautiful new Hudsons in such numbers that we must make thousands more of them to insure prompt delivery.

Every experience and suggestion of the world's largest 6-cylinder ownership is incorporated in the 64 improvements of the Greater Hudson.

As co-authors of these creations the 1,000,000 Super-Six owners are naturally first to want to see, inspect and drive them. It is particularly interesting to observe their special satisfaction in the numerous body improvements. In comment, these important developments in body design and appointment, fully equal the more dramatic qualities of the more than 80-mile-an-hour performance.

They definitely set Hudson apart from like-priced cars, just as Hudson performance stands alone among all cars.

Come, see and drive the Greater Hudson. We believe one ride will make it the car of your choice.
