To My Friends and Customers:
 When we started The Fire sale in Forest City, N. C. we were told "that this would be the greatest sale in the County—That Prices will be the lowest I have kept my word. This is the first time I have ever held in our years in business crowds that packed and jammed the store. Friends "We must raise our prices even lower than we have ever had and re-arrange all our goods to sell all goods! No matter how much we move them. It hurts! But it is worth it. Bargains that you can't find in the movies! Folks, I promise you and I promise you to call! It will be a great sale. Please wait!"

Everything in Our Store Must be Sold. Come Early For First Choice.
