

CLINIC TUESDAY AT GASTONIA FOR COUNTY CHILDREN

Rutherford County Day Observed at State Orthopaedic Hospital—Sponsored by Kiwanians

Tuesday was Rutherford County day at the State Orthopaedic hospital. Tuesday morning six automobiles loaded with crippled and deformed children left Forest City for a trip to the hospital in Gastonia, for an examination. The children, some 21 in number, were accompanied by either their father or mother. The cars were furnished by members of the Forest City Kiwanis Club, and were driven by Mrs. F. I. Barber, Messrs. Amos Beam, J. M. Shuford, W. L. Brown, John Dalton and Clarence Morris.

Rutherford county day at the state orthopaedic hospital was sponsored by the Forest City Kiwanis Club. The committee on underprivileged children, with Dr. A. C. Duncan as chairman, arranged conveyance, free of charge, for all who wished to go. Several communities of the county were represented. All children carried were examined free of charge by the hospital's doctors, and were advised relative to correcting the deformities.

One of the objectives of Kiwanis is to aid the underprivileged child. The good work of the local club in general and Dr. Duncan in particular, should be greatly appreciated by the public. This is the second clinic held at Gastonia, which has been sponsored by the Kiwanis Club. Last year's clinic resulted in much good, a number of patients from the county being admitted following examinations held at that time.

Monday Night's Meeting

The attendance at the Kiwanis Club Monday night was good. Dr. O. L. Miller, of the State Orthopaedic Hospital, Gastonia, who was scheduled to speak, could not be present, but Mrs. Miller substituted for her husband. Popular Jugo-Slav Orchestra to Open Redpath Chautauqua

JUGO-SLAV TAMBURICA ORCHESTRA

"The Minstrels of the Balkans" is the name often applied to the Jugo-Slav Tamburica Orchestra which will be one of the outstanding features of the coming Redpath Chautauqua here. Wearing the gayly colored costumes of their far-away homeland and featuring their native musical instrument, the tamburica, these Balkan players present concerts of great variety. Naturally, Balkan melodies form a pleasing part of the program but, so adaptable is the tamburica, operatic selections and American popular songs are also delightfully rendered. Here is a company whose musical program innovations will long be remembered.
