## A NEW REALTY COMPANY FORMED

The Haynes Brothers and Former Mayor W. N. Dorsey, of Shelby, Are the Officials

Knowing that Forest City is one of the most progressive and fastest growing cities in the state, and desiring to take a part in its growth and prosperity, Haynes Brothers have formed the Haynes Real Estate Company, with former Mayor W. N. Dorsey, of Shelby, as sales manager with offices in Forest City and Cliffside. Sales Manager Dorsey will alternate between the two offices and commute to and from his home in Shelby each day.

A large lot of real estate and several thousands of acres have already been lined up by the new firm, which will operate on a large scale in this county.

The Messrs. Haynes are so well known throughout the county that commendatory mention here is unnecessary. They are men of ample capital who have always taken a lead in the development of the county. Mayor Dorsey is a splendid man to have with the company, as he has made a success in the real estate business and is thoroughly versed in its most intricate details.

## LEGION HEARS STATE OFFICERS

J. M. Caldwell, and State Com-  
mander R. G. Cherry Speak  
to Local American  
Legion Post

State commander R. G. Cherry, and Adjutant J. M. Caldwell, of Gastonia, representing the American Legion, spoke at the meeting of the local Willis Towery Post, American Legion, Friday evening. An enthusiastic audience heard these two speakers.

The local post has just been recently re-organized. The membership jumped from sixteen to thirty-eight Friday night.

In speaking to the legionaires Mr. Cherry gave three outstanding reasons for being a member of the Legion: first, it is the duty of the Legion to assist in fighting the battles of their disabled comrades. It is stated by medical authorities that the peak of disabilities resulting from the late World War will not be reached until 1935, therefore it is up to the able bodied to see that a fair deal is given the disabled; second, The American Legion must pledge itself to honor that great group who did not come back from the great conflict; third, the privilege of wearing the uniform and defending such a great country and such glorious flag.

The next meeting of the Legion will be held in the City Hall on Thursday, June 27.

Dr. Zeno Wall, pastor of the First Baptist church, of Shelby, will deliver a memorial sermon here at the First Baptist Church, to World War Veterans, on Sunday, June 30.
