PAINFUL INDIGESTION

"I SUFFERED from indigestion—everything I ate gave me heartburn," says Mrs. Mattie Mullins, of Pound, Va.

"For months, I did not see a well day. I worried along, but never felt well. I got a package of Thedford's Black-Draught at the store and began taking it—a dose every night before going to bed. I had been having an awful pain. After I had taken Black-Draught, this pain entirely stopped. I began to gain in weight, and rested well at night. In a few months I was feeling fine. My health was better than it had been in years.

"I keep Black-Draught in our home, and we all take it for constipation and upset stomach."

FIRE DOES \$2,000 DAMAGE SUNDAY

House and Household Goods Completely Destroyed at Spindale—Auto Wreck.

Spindale, Sept. 2.—A large six room house, owned by the estate of the late M. Levi, and occupied by Mr. W. M. Ray and family, was burned late Sunday afternoon, being a complete loss. The origin of the fire is unknown, and was not noticed until after the entire house was almost a mass of flames. The family were away, visiting at the time. The house was locked, which prevented anyone gaining entrance until too late to save much of the furniture. Two beds, two dressers, some bed clothing and a graphophone was saved. Mr. Ray's loss was about seven hundred dollars. The house, worth about \$1,500 to \$2,000, was not insured.

A man said to be Clyde Iverson, of Greenville, S. C., was probably fatally injured and Mrs. G. W. Kirby, also of Greenville, were injured as the result of a collision with a car driven by Mr. Charles J. Rourke, of Spindale, near Gastonia Sunday. The accident occurred five miles from Gastonia on the Wilkinson Boulevard. Mr. Rourke, a salesman for the Elmore Mercery Company, of Spindale, was returning with his family from Baltimore. According to reports reaching here Mr. Rourke was forced off the broad highway by the approaching car, and was hit after leaving the concrete. Mrs. Rourke and the three Rourke children suffered bruises and cuts. None of the occupants of the Rourke car are seriously injured, except Mr. Rourke, who received painful cuts and bruises on a leg and hip. Iverson's skull is believed to be fractured. Both Iverson and Mrs. Kirby are in a Gastonia Hospital. The Rourkes continued their trip to their home here after receiving medical aid.

A small Hensley child was injured here Monday while returning home from school when she was hit by a car while crossing the highway. The child was waiting for an approaching car to pass and started across the highway without noticing that a car was coming from the opposite direction. The fender of the car struck the child, injuring it about the body. She was taken to the Rutherford Hospital, where an examination revealed that her injuries were not serious.

The local department of the Woman's Missionary Society, of the Methodist church met last night at the home of Mrs. G. Lipscombe, in N. Spindale.
