

Stephens' Revival Will Begin Sunday

Everything in Readiness For County-Wide Evangelical Campaign for Month of November.

Next Sunday, November 3rd, marks the beginning of what promises to be one of the greatest undertakings of its kind ever attempted in Rutherford county when the Stephens tabernacle meetings get under way. Weeks of preparation have been spent by a score or more of committees representing all parts of the county and those in charge of the work of the various committees report that everything will be ready when evangelist George T. Stephens of High Point arrives to begin a four-week series of evangelistic meetings in the huge tabernacle in Spindale. Unusual interest in the coming series of meetings is noted for many miles around. Scores of people visited the big tabernacle last Sunday and all who saw the unique structure were well pleased with the splendid arrangements.

First Meeting Sunday Night.

The first meeting to be conducted in the tabernacle is scheduled for Sunday night at 7:30 o'clock. Every church congregation in Rutherford county is asked to join in a great un-

derstanding service at the tabernacle. A special request on the part of the executive committee to all pastors in the county that they invite their people to come to this first service, is made through G. B. Howard, general chairman and a great crowd that will tax the capacity of the big tabernacle is expected to be on hand. Services will be held in the tabernacle each night beginning promptly at 7:30 o'clock. The meetings are to continue four weeks.

One of the most interesting events ever staged in the community took place last Thursday when a group of over 100 men built the mammoth tabernacle in a little less than eight hours time. A sumptuous chicken dinner was served to the workers by the ladies of the churches and a great day was reported by all who took part in this most unique undertaking. The tabernacle is 100 feet wide and 150 feet long with seats for 2,000 people. The main entrances are facing state highway No. 20. A choir platform with seats for 350 singers is constructed in the south end of the structure. Comfortable seats have been installed and the floor of the tabernacle is covered with from four to six inches of fresh pine shavings. Four large heaters have been installed which will make the building comfortable no matter how cold the weather may be outside. The building is brilliantly lighted by scores of 200 watt electric lights. The speakers platform is elevated so that the speaker can be seen and heard from the remotest part of the huge auditorium.

One Hundred Ushers Required.

A corps of 100 men has been enlisted to act as ushers at the tabernacle. In order to efficiently handle the crowds that are expected to attend the tabernacle meetings, a well organized plan has been worked out by W. G. Haymaker, campaign director with the Stephens party. There will be a chief usher and two assistant chief ushers, four platform ushers, four aisle captains, eight doormen and two sectional ushers for every eight rows of seats in the tabernacle. The first meeting of the ushers is to be held Thursday night of this week, which is October 31st, in the tabernacle at 7:30 o'clock. This meeting is for organization and instruction and all men who will act as ushers are requested to meet Mr. Haymaker at the tabernacle tonight. Thorough instruction will be given and an actual drill will be held so that every man will be thoroughly familiar with his duties. The work of the ushers is one of the most interesting and important parts of the campaign and a large group of the representative business and professional men are expected to assist in this part of the work.

Large Choir Enlisted.

The Music committee headed by C. W. Keeter of Rutherfordton, is at work enlisting 250 singers for the tabernacle choir. Never before has such a large choir sung together in Rutherford county and some splendid music is sure to be the special feature of the series of tabernacle meetings. Everyone in the county who will sing is asked to meet at the tabernacle Friday night of this week, which is November 1st, at 7:30 for the first choir rehearsal. A fine big Chickering concert grand piano has been installed at the tabernacle by the Andrews Music company of Charlotte and Mr. Powell Lee, of Atlanta, Ga., will be on hand to direct the choir Friday night. The music committee extends a special invitation to all singers to join the big tabernacle choir and help in this most inspiring part of the revival meetings. A special song book is to be used and a special program of gospel music will be given each night at the tabernacle.

Prayer Meeting.

Mrs. G. P. Reid, of Forest City, chairman of the cottage prayer meeting committee announces that many prayer meetings are being held in the tri-cities in preparation for the coming meetings. The cottage prayer meetings are held on Tuesday, Wednesday and Friday of each week from 3 to 3:30 p. m. A large attendance at the various meetings is reported and unusual interest is being taken

by all. Everybody is invited to attend the prayer meetings.

Special Parking Arrangements.

A traffic committee with Chief of Police Yates Duncan and County Traffic officer Garret Edwards and J. H. Hill, scoutmaster troop one, B. S. A., Spindale, will be in charge of the parking arrangements at the tabernacle. A special plan for parking hundreds of cars is being worked out by this committee and the co-operation of the people of the county is requested so that the maximum number of cars can be parked properly in the vicinity of the tabernacle.

Tabernacle Nursery Provided.

A tabernacle nursery is to be maintained at the Spindale House where mothers with small children can leave the children while they attend the tabernacle services. A group of competent church women will always be in charge of the nursery and the co-operation of parents is urgently requested by the committee in

charge. It is requested that all children under four years of age be left at the nursery where they will be well cared for by those in charge. A special reserved seat section will be provided in the tabernacle for mothers who leave their children at the nursery so that they can be easily located should they be needed at the nursery. All mothers with children over four years are requested to accompany them at the tabernacle.

Want Home for Stephens Party.

An urgent request is being made by the entertainment committee headed by Mrs. S. K. Yelton, of Spindale for a six-room furnished home where the members of the Stephens party can be entertained while in Spindale. A home as near the Tabernacle as possible is needed. The committee would like to rent a furnished home where the members of the evangelistic party can really be "at home" while in the community. In order that the members of the Stephens party may be

well cared for a good colored cook will be secured to prepare their meals. Let's all try to make the time spent in our community by Mr. Stephens and his party just as pleasant as possible.

HALL-RUDISILL DRUG COMPANY

FOREST CITY, NORTH CAROLINA

MOST people know this absolute antidote for pain, but are you careful to say Bayer when you buy it? And do you always give a glance to see Bayer on the box—and the word genuine printed in red? It isn't the genuine Bayer Aspirin without it! A drugstore always has Bayer, with the proven directions tucked in every box:

When your Children Cry for It

There is hardly a household that hasn't heard of Castoria! At least five million homes are never without it. If there are children in your family, there's almost daily need of its comfort. And any night you may find you very thankful there's a bottle in the house. Just a few drops, and that colic or constipation is relieved; or diarrhea checked. A vegetable product; a baby remedy meant for young folks. Castoria is about the only thing you have ever heard doctors advise giving to infants. Stronger medicines are dangerous to a tiny baby, however harmless they may be to grown-ups. Good old Castoria! Remember the name, and remember to buy it. It may spare you a sleepless, anxious night. It is always ready, always safe to use; in emergencies, or for everyday ailments. Any hour of the day or night that Baby becomes fretful, or restless, Castoria was never more popular with mothers than it is today. Every druggist has it.
