LOCAL MUSICIAN RECEIVES OFFERS FOR COMPOSITIONS

Mr. Marvin Hughey Making Splendid Record in Musical Profession—WWNC Staff Artist.

Mr. Marvin Hughey, talented singer of this city, is making quite a name for himself in his chosen career. His latest achievement is the composition of four songs, three sacred songs and one fox trot. Mr. Hughey has submitted these pieces to several publishing houses, three of which have commented favorably on them and made him some rather good offers for the right to publish them.

The names of the three sacred songs are: "Because He is Merciful," "Friends of Jesus" and "Jesus the Crucified." Mr. Hughey recently sang "Because He is Merciful" at the First Baptist church here and it was acclaimed to be unusually good by those who heard him. This song is his leading number and according to publishing houses it is, indeed, a most beautiful composition.

The publishing houses making Mr. Hughey the most flattering offers for his songs are: Lorenz, of Dayton, Ohio; McKinlay Music Co., of Cincinnati, Ohio; and Richmond Music Co., of New York, the latter company making the best offer.

The name of Mr. Hughey's fox trot is "Lizzie Bee," and it is a fast, jazzy number.

Mr. Hughey has stated that he hopes to spend much time writing music and he has already received a poem from a man in West Virginia, who wants it set to music.

Mr. Hughey is perhaps one of the best known singers in this section. He is a staff artist for station WWNC at Asheville, and once a month can be heard broadcasting from that place. In addition to this station Mr. Hughey has also broadcasted from six other stations, Jacksonville, Atlanta, Chattanooga, Knoxville, Charlotte and Greensboro.

As an evangelistic singer Mr. Hughey has been in revival meetings with some of the leading Evangelists of the South, the most prominent of them being Dr. H. L. Turner, Presbyterian evangelist having charge of the Synods of Alabama and Mississippi; Baxter F. McLendon, better known as "Cyclone Mack"; and Rev. A. A. Haggard. Mr. Hughey also had charge of the singing for the first three nights at the Stephens' county-wide revival now being held at Spindale. On the first night of this meeting there were two hundred and forty singers in the choir, which was the largest chorus choir ever assembled in Rutherford county.

Mr. Hughey also holds a contract for the production of four phonograph records for the Brunswick-Alke Collender Co. No definite date has been set for making these records but it will be some time in December. While the contract calls for four records the company has promised to let him make six, time permitting.

Studying under some of the greatest voice teachers of the South, Mr. Hughey is a credit to them. Two of the most outstanding teachers under whom he studied were Walter R. Schmidt and Mrs. Chandler, both of the Birmingham Conservatory of Music.

TO SPEND WINTER HERE.

Mrs. R. K. Harris, who has been visiting her sons in Seagrove, and Hickory, returned to Forest City Sunday, where she will spend the winter with her daughter and son, Mrs. J. D. Ledbetter and Mr. M. W. Harris.

A certain gang of thieves in Salt Lake could hardly be classed as "light-fingered gentry." They stole an entire blacksmith shop and 24,000 bricks.

Forest City's Big Harvest Sale Began Wednesday

Business Men Cooperating to Make Event Greatest of its Kind Ever Held Here

This week, Nov. 6, 7, 8, and 9, the merchants and business men of Forest City are putting on the greatest bargain event in the history of Forest City. It is a co-operative move by all the business firms of the city to give real genuine bargains in an effort to bring new business and new customers to Forest City, and will give to all coming to the city the greatest opportunity they have ever had to buy the very best goods at the lowest price. They are enabled to do this by working in unison and having the desire to give real values. Visitors are expected to come here from all over the county and from surrounding counties to take advantage of this big bargain feast. Every business house in the city has genuine bargains to offer on these big days.

Besides the many bargains, there will be other features to appeal to the visitor, foremost of which will be the big turkey contest twice daily. Four turkeys will be released on each of the above dates from the roof of some business house—two at 10 a. m., and two at 4 p. m. These turkeys will be numbered and those catching them will get a handsome prize from some store in the city. Fuller particulars can be obtained from the bills which are being distributed throughout this and other counties.

To give some idea of the extensive advertising which has been done to call attention to the big harvest sale event, it can best be seen by the statement that, not only in addition to the boosting given by The Courier, the merchants have distributed over 8,000 12-page circulars taken up with announcements of the occasion and the advertisements of the different merchants and their offerings. And again, The Courier is publishing in this issue advertising and further announcements from these enterprising merchants. With this tremendous publicity, no one is being overlooked and every one will be fully informed as to the big money-saving event, which is coming right at the time when there will be a tremendous demand for the fall and winter buying, which is just getting under way.

Not to be outdone by the public spirited merchants of the city in bargain giving, The Forest City Courier—Rutherford county's biggest and best newspaper—will make this astonishing offer for the four days of the harvest sale: To every person paying one dollar for one year's subscription to the paper, we will send

To Observe Parent Days In Cool Springs Schools

It was decided to invite the parents of Cool Spring Township Schools during National Education Week. Three days will be used for visiting instead of one. In most cases where only one day is used, the school work is not normal. It is the plan of the teachers to conduct classes in the usual manner during these days.

It is hoped that all the parents in the township will take the opportunity to see their children in the classrooms at work. On Friday night, November 15, there will be a community program at the high school building. This program will consist of four short programs from the schools in the township of ten minutes each, and a thirty minute talk by Dr. J. Henry Highsmith or some other educator of high rank will be made.

No Court Monday At Marion

According to word received Wednesday there will be no court at Marion Monday, on account of that day being a legal holiday. Court will convene Tuesday, November 12, and all men drawn from Rutherford county for special jury service are notified to be present at Marion at 10 o'clock, Tuesday.

A special term of court was called for McDowell county sometime ago to try strikers arrested in the late Marion strike. The jury was drawn from Rutherford county. The term was scheduled to begin Monday, but has been postponed one day.

DEATH CLAIMS AGED RESIDENT OF FOREST CITY

Miss Panola Logan Dies at Home of Sister on West Main Street—Funeral Held Friday.

Miss Panola Logan, one of the oldest residents of Forest City, died at the home of her sister, Mrs. Tom Jackson, on West Main Street Thursday morning at 4:30 o'clock. Her death was brought about by a complication of ailments. She had been confined to her bed for four months, and her death was not unexpected.

Funeral services were held at the First Baptist church Friday afternoon at 1:30 o'clock with Dr. W. A. Ayers in charge of the service. Interment was in the Cool Springs cemetery.

Miss Logan was the youngest daughter of Prof. William Davis Logan and Emily Walker Logan. She was born at Limestone, S. C., now Gaffney, June 14, 1861, and was 68 years of age at the time of her death. There were only two children born to Mr. and Mrs. W. D. Logan, Miss Panola and Mrs. Jackson. Mrs. Jackson is the only surviving member of that family.

Miss Logan came to Forest City forty-two years ago, and since that time has been a faithful member of the First Baptist church here.
