## INJURIES FATAL TO TOM WRIGHT

Mooresboro Man Dies in Shelby Hospital After Being Hit By Car.

Mooresboro, Jan. 14.—Mr. Tom B. Wright, well known citizen of the Mooresboro section died in the hospital at Shelby Saturday morning of injuries resulting from a so-called hit-and-run accident Friday afternoon at Mooresboro.

Mr. Wright, according to information was walking across highway 20 at the Mooresboro garage, when one of two cars going the same direction, struck him. His legs and arms were broken, his chest, ribs and skull crushed. He was rushed to the Shelby hospital but due to the nature of his injuries very little hope was held for his recovery.

Stories of how the fatal accident occurred are conflicting and perhaps will not be cleared up until Friday when a hearing will be held before Recorder Horace Kennedy in Shelby. One report from Mooresboro had it that one of the two cars passing the other, struck the car nearest Mr. Wright and knocked it into him. Another report is that the car in passing did not hit the second car. The automobile which was passing the one which hit Mr. Wright stopped for a short time, it is said, and then traveled on, the identity of the driver not being known. At the sheriff's office in Shelby Monday it was said, however, that Paul Wilkins, of Gaffney, who with several women was in the car which hit the Mooresboro man, had been arrested and placed under a \$500 bond to appear for a hearing on the 17th.

Funeral services were held at the Lattimore Baptist church Sunday afternoon with Rev. I. D. Harrill and Rev. J. W. Suttle officiating.

Interment services were in charge of the Mooresboro Masonic lodge, and more than 1,000 people attended the final rites.
