

## BETTER AIR MAIL AFTER MARCH 1

**Star Route Will Be Changed  
—Will Leave County at  
Close of Business  
Day.**

Effective March 1, the Air Mail service of Rutherford County will be greatly improved. It will be practical to mail a letter in Rutherfordton a few minutes before half past five o'clock in the afternoon and have it catch the night Air Mail plane at Spartanburg. It was due to the efforts put forth by the business men of the County Seat, Spindale, Forest City, Avondale and Cliffside, as well as in other towns that the Post Office Department decided to change the present mail bus schedule from Gaffney to Spartanburg. It will leave the latter city at 6 a. m., and pass through Whitney, Cherokee, Mayo, Chesnee—towns in South Carolina—and then come through Cliffside, Avondale, Henrietta, Caroleen, Ellenboro, Bostic, Forest City, Spindale and arrive in Rutherfordton at 9:30 a. m.

The bus will leave the County Seat at 5:30 p. m., and return to Spartanburg by the same route, leaving off Bostic and Ellenboro, arriving there at 8:30 p. m., in sufficient time to catch the night mail plane. This will speed up greatly the delivery of letters to northern points, especially to New York.

The mail bus will not make any stops at individual boxes en route but will call only at the post offices named above to deliver and take on mail sacked and addressed. The increased distance is only a few miles over the old route and while the contract for said route is on file in the various post offices it has not yet been awarded.

### Officer Edwards Gets Stolen Car

Ellenboro, Jan. 27.—Through the excellent detective work of rural police man Garrett Edwards, an automobile belonging to Mr. Spurgeon Moss was recovered in Wadesboro, and the alleged thieves captured and lodged in jail. The car disappeared from the streets in Forest City about one month ago. Mr. Edwards began a search for it and finally located the car in Wadesboro. A short time later David Beam, one of the alleged thieves, was arrested in Gaffney, and waived extradition and was brought back to North Carolina. The second prisoner, Fay Beam, was captured with the automobile in Wadesboro.

Mr. Edwards has also been doing a fine piece of work in Ellenboro, as well as in the county at large. He is known in and around Ellenboro as the Children's protector, and is frequently on duty at recess periods at many of the schools near the highways, in order to protect the children from speeding autoists.

### M. E. Training School April 6-11

Mr. O. V. Woosley, Educational Director for the Western North Carolina Conference of the Methodist church, called together the Pastors, Sunday school Superintendents and interested workers of the church to help complete the plans for the Rutherford County Annual Standard Training School for Sunday school officers and teachers.

The board of managers and all of the officers were elected at this meeting at Forest City Methodist church whose names will appear later on. This Standard Training School was previously dated for February 23rd to 28th, but on account of the Stephens Meetings at Cliffside was postponed until April 6th to 11th at Forest City.

### Nearly Killed By Gas —Druggist Saves Her

"Gas on my stomach was so bad it nearly killed me. My druggist told me about Adlerika. The gas is gone now and I feel fine."—Mrs. A. Adamek.

Simple glycerin, buckthorn, saline, etc., as mixed in Adlerika, helps GAS on stomach in 10 minutes! Most remedies act on lower bowel only, but Adlerika acts on BOTH upper and lower bowel, removing poisons waste you never know you have. It relieves constipation in 2 hours. It will surprise you. Hall-Endsill Drug Co.

### DISCOVERS MEANS OF RESTORING WILTED VEGETABLES

A means of restoring wilted vegetables to their original, fresh-from-the-garden appearance, and storing fresh vegetables for many days at a time in their best condition has been discovered by Frigidaire Corporation, leading manufacturers of electric refrigerators, according to a national announcement made last week by this General Motors subsidiary.

Tests made in the experimental kitchens and bacteriological laboratory of the company at Dayton, O., have shown that celery, lettuce, spinach, radishes, carrots, parsley, watercress, endive, green beans and similar varieties can be revived to

their original crispness and wholesomeness after having wilted to such an extent that they would be discarded by most housewives and cooks the announcement explained.

The new electric refrigeration achievement, which is known as a hydrator, also will keep sandwiches in perfect condition for long periods of time, it is stated in the announcement. The hydrator will be placed on display at all Frigidaire show rooms this week and besides being a part of all new household electric refrigerators will be available for installation in models now in use, it was announced.

Any family can get together on the proposition that an automobile is a necessity.

### Funeral Held For Mr. John Dowdle

Union Mills, Jan. 27.—John Dowdle, aged 40, who was killed near Columbia, S. C., Monday, January 20, in an automobile wreck, was buried at Round Hill church, Union Mills, Wednesday, January 22.

He leaves his mother, Mrs. Columbus Nanney, of near Union Mills; one brother, Robert, in Georgia, and one half-brother, Lester Hammett, of near Thermal City.

He had been away from this county four years and his mother had not heard from him until she got the news of his death Monday. He was unmarried.

The Rev. D. J. Hunt conducted the

funeral services and interment followed in the Round Hill church cemetery.

### Backache

G. K. MOORE, JR.

Administrator.

139 16th Ave. N., St. Petersburg, Florida. 16-4t.

# New Beauty for the New Ford

### THE NEW FORD TOWN SEDAN

In the Town Sedan you see a distinguished example of the unbroken sweep of line which adds so much charm to all the new, roomy Ford bodies. Radiator, hood, cowl, lower roof line, fenders, wheels — every point of design reflects the new style and beauty that have been placed within the means of every one. All of the new Ford cars are finished in a variety of colors.

## ANOTHER STEP FORWARD

THE introduction of the new Ford bodies has set a high standard of motor car value.

From the new deep radiator to the tip of the curving rear fender, there is an unbroken sweep of line—a flowing grace of contour gaining added charm from the rich and attractive colors.

You will take a real pride in the smart style and fresh new beauty of the Ford just as you will find an ever-growing satisfaction in its safety, comfort, speed, acceleration, ease of control, reliability and economy. In appearance, as in mechanical construction, craftsmanship has been put into mass production. New beauty has been added to outstanding performance.

A feature of unusual interest is the use of Rustless Steel for the radiator shell, head lamps, cowl finish strip, hub caps, tail lamp and other exposed metal parts. This steel will not rust, corrode or tarnish and will retain its bright brilliance for the life of the car. Here, as in so many other important details, you see evidence of the enduring quality that has been built into the new Ford.

Roadster, \$435      Phaeton, \$440      Coupe, \$500      Tudor Sedan, \$500      Sport Coupe, \$530

Two-window Fordor Sedan, \$600      Three-window Fordor Sedan, \$625      Convertible Cabriolet, \$645      Town Sedan, \$670

(All prices f. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra.)
