Statement From B. & L. Secretary

In view of the financial crash that has befallen us, we feel that to say nothing in behalf of the Forest City Building and Loan Association would be depriving our members and friends of a good wholesome thought.

The Association was not, and will not be affected in anyway by the crash of our bank—except for the general slowing up of business. The Building and Loan Association will move on as before and all members and depositors are urged upon to feel no hesitancy in coming on and doing business on the old accounts and bring in new ones. Your interests are safeguarded by the very best security that it is possible to give. Yours for more business and Bigger Business.
