

REGULARITY IN FEEDING COWS BRINGS RETURNS

Well Balanced Ration And Good Care Pay Profit to Dairyman.

"Ding-dong,"—from a nearby field Farmer Jones and his husky sons race to the kitchen table for a good boiled pork dinner, red cabbage and apple pie, but poor Dollie patiently waits in the barn for her feed ration, and it's disgusting when Farmer Jones forgets that she is hungry too. He ought to know that regularity in time and feeding is important if a dairy cow is to produce a good milk yield. Just as her "boss" gest accustomed to a 12 o'clock dinner, so does Bossie get used to receiving a certain feed at a certain time, and any variation upsets her.

Dairy experts have found it a good practice to feed the grain just before milking, and the silage or other succulent feed immediately after milking. In so doing, any possibility of the milk absorbing the odor of the silage is eliminated. The hay should be fed after the silage. Especially in winter, when the cows are in the barn all day, it may be worth while to omit the feeding of hay in the morning, and give it at noon, if not too inconvenient.

How Dollie does relish her ration when she finally does get it—for it contains a good protein concentrate, such as linseed meal, which will aid her to keep in prime condition, aid in the heavy production of milk, and is not constipating. It has a cool lubricating effect on the cow's digestive organs, enables her to utilize the greatest amount of feed, and acts as a conditioner through months of inactivity.

When stabled for the winter a suitable ration when clover hay is fed with corn silage is ground corn, barley, or hominy, 200 lbs.; ground oats, 200 lbs.; wheat bran 100 lbs.; and linseed meal, 100 lbs. It is usually recommended to feed one pound of the above grain mixture to every 3-4 pounds of milk per day. For high producing dairy cows it might be advisable to add a little more linseed meal to the grain mixture.

Meet To Organize Booster Club

Ellenboro, Feb. 10.—All of the male citizens of Ellenboro are urged to attend a meeting, Friday evening at 7 p. m., in the K. of P. Hall to discuss the organization of a Booster Club for the town.

It is believed that Ellenboro greatly needs a Booster Club and that such a club could do much to make the town more beautiful and prosperous. Then, the organization would

Makes Life Sweeter

Children's stomachs sour, and need an anti-acid. Keep their systems sweet with Phillips Milk of Magnesia!

When tongue or breath tells of acid condition,—correct it with a spoonful of Phillips. Most men and women have been comforted by this universal sweetener—more mothers should invoke its aid for their children. It is a pleasant thing to take, yet neutralizes more acid than the harsher things too often employed for the purpose. No household should be without it.

Phillips is the genuine, prescriptive product physicians endorse for general use; the name is important. "Milk of Magnesia" has been the U. S. registered trade mark of the Charles H. Phillips Chemical Co. and its predecessor Charles H. Phillips since 1875.

PHILLIPS Milk of Magnesia

serve as a social organization for the men of the town.

Ellenboro is well located and can be made one of the prettiest and best towns between Asheville and Charlotte if only the citizens will work together to this end.

3:45 Adjourn.
Anyone interested in B. Y. P. U. work is cordially invited. Especially are members of this district urged to be present with a large delegation from each church.

DEATH CLAIMS CONFEDERATE VET

Lafayette Columbus Hardin, Aged 82, Dies at Home Here Friday After Few Weeks Illness.

Lafayette Columbus Hardin, aged 82 years, died at his home here Friday of heart trouble, following an illness of several weeks. Mr. Hardin was a Confederate veteran.

Funeral services were held at the home Saturday afternoon, with Rev. J. L. Hill, of Colfax in charge of the service. Interment was in the Cool Springs cemetery.

Mr. Hardin was born September 27, 1847, and died February 7, 1930, being 82 years, 4 months and ten days old. He was married on September 12, 1867 to Miss Margaret C. Moore, and eight children were born to this union, six girls and two boys, T. C. Hardin, J. T. Hardin and Mrs. Eva Gordon are the only survivors of this union. He was later married to Mrs. Rebecca Huffstetter who survives. Three brothers, Joe P. Hardin and Geo. W. Hardin, Jr., of Forest City, and J. L. Hardin, of Morganton, and one sister, Mrs. F. L. Funderburke, of Forest City, survive.

He joined the Baptist church early in life, but later became a member of the Wesleyan Methodist church, of which church he was a member at the time of his death.

Pall bearers were Dan Hardin and Claude Hardin, nephews of the deceased, and Darrell Morrow and Wesley Gordon, grandsons of Mr. Hardin.

Flower bearers were Mrs. Clyde Lee, Miss Dorcus Hardin, Mrs. Fate Austin, Miss Thelma Gordon. A number of grandchildren survive.

MOORESBORO YOUTH FACES MISUSE OF MAILS CHARGE

Shelby, Feb. 10.—R. E. Bridges, Mooresboro youth, was arrested here by Deputy Marshal F. B. Hamrick and given a hearing before U. S. Commissioner J. P. Mull, on a charge of sending obscene literature through the mails.

The arrest followed an investigation by postal inspectors, who turned the case over to the federal authorities. Bridges was placed under a \$1,000 bond, until the next term of federal court.

LICENSE BUREAU CLOSES.

Rutherfordton, Feb. 10.—The Hunter Auto Co., of this place sold automobile license tags to the amount of \$52,349 from Dec. 16th, 1929 to Feb. 1st, 1930. The bureau is now closed, as all part time bureaus in the state closed on Feb. 1st. Total fees were sold to the amount of \$668 while transfers amounted to \$636.

The Carolina Motor Club which had charge of the sale of license plates in the state has written Mr. Hunter a letter congratulating him on the excellent manner in which the bureau was handled. Everything was handled in a most satisfactory manner. The bureau brought many people to town.

Jack Hicks, Aged Eleven Years, Dead

Jack Hicks, eleven years old son of Mr. and Mrs. W. J. Hicks, of Spartanburg, died at his parents' home Wednesday, February 5, after a short illness of pneumonia.

Funeral services were held Thursday afternoon, at 2 o'clock, at Alexander Baptist church, with Rev. C. C. Matheny in charge, assisted by Rev. R. C. Kendrick. Interment was at Alexander.

The child is survived by its parents, two brothers, Robert and B. D. Hicks, of Alexander and Edith Hicks of Forest City.

Pall bearers were Charles Queen, Woodrow Bradley, Tom Cole, Paul Murphy, Ben McCurry, John Hoyle.

Live-At-Home Week Programs On Radio

Raleigh, Feb. 3.—As a part of the live-at-home program which will be observed in the public schools of the state during the week beginning February 10, a radio program has been arranged from station WPTF, in Raleigh.

Each morning from 9:00 to 9:10 A. M., Monday to Friday, inclusive, a talk on some phase of the live-at-home idea will be broadcast. On Monday from 2:00 to 2:10 p. m., a live-at-home message will be sent from the State Department of Agriculture.

The speakers for each day's program are as follows:

Monday—Governor O. Max Gardner.

Tuesday—A. T. Allen, State Superintendent of Public Instruction.

Wednesday—T. E. Browne, Director of Vocational Education.

Thursday—J. Henry Highsmith, Director of Division of School Inspection.

Friday—Miss Rebecca Cushing, Supervisor of Home Economics Education.

All schools owning radios are requested to tune in on these programs for schools not owning radio sets, it is suggested one be borrowed and placed in the auditorium and student body assemble each day to listen to these talks.

It is further suggested by educational authorities that parents and others tune in on these programs, or attend the exercises put on in connection with the live-at-home program in the schools.

INTERESTING LETTER OF WAR PERIOD, 1861-65

Mrs. Nannie Baber, of Logan (Iowa), owns an interesting letter written during the period of the War Between the States. This letter was written by George W. Freeman, of Co. F, 62nd Reg., his mother, Mrs. Lucy Freeman. Mr. Freeman was a corporal in Co. F, which was recruited and commanded by Capt. A. B. Cowan.

The letter follows:
Camp Douglas, Ill., July 12, 1864. Lucy Freeman, Logan Store, Rutherford, Co., N. C.

Dear Mother: I am again permitted to drop you a few lines to inform you I am well at this time. Hope these few lines will reach you in due time and find you, sister and brother all well.

All the mess boys are well at this time.

The health of the camp is tolerable good at this time. Our fare is very good.

It is very pleasant weather here at this time.

I would love to hear from you all. I haven't received a letter from you in eleven months. I would be glad to see you all again.

I must come to a close.

Give my love to all my friends especially to the girls.

So no more at this time.

I still remain your son till death.

GEORGE W. FREEMAN,
Prisoner of war, Camp Douglas, Ill. Co. F, 62nd N. C. Regiment.

RUTHERFORD GINNINGS HEAVY

Rutherford county ginned 21,456 bales of cotton of the 1929 crop up to the latter part of January, as compared to 17,034 bales the same date last year, an increase of 4,422 bales over 1928.

County Agent E. P. Welch of Beaufort county is solving the question of disease control in pigs by holding clinics where a graduate veterinarian shows by post mortem examinations the cause of the trouble

RUPTURE SHIELD EXPERT COMING TO RUTHERFORDTON

on Tuesday, Feb. 25th at the Isothermal Hotel from 10 a. m., to 4 p. m.

ONE DAY ONLY

No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields" hold the rupture perfectly, no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening in a remarkably short time and strengthen the weak tissues (the real cause of rupture) so that they frequently recover their previous natural retaining power, needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable and prompt results have been obtained not only with recent and not fully developed ruptures but also with old, long neglected ones.

Ingenious, recently perfected devices are now holding ruptures firmly which heretofore never had been retained.

No elastic belts nor filthy legstraps are used.

I guarantee the durability of my absolutely sweat and moisture proof, sanitary appliances.

75 per cent of ruptured children recover completely through expert mechanical treatment according to statistics.

Do not waste your money on widely advertised mail order contraptions. You cannot fit yourself.

C. F. REDLICH, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota.

The Farmers' Exchange in Currituck county is saving buyers over \$3 a ton on their purchases of fertilizer this spring.

BUILT TO OUT-PERFORM
... the vital reason why BUICK out-sells every other fine car by 2 to 1

Keep in mind, when you buy your car, that you are buying miles—and that you will get more and better miles in a Buick, as more than 2,400,000 owners have proved.

Buick builds so thoroughly—builds such extra strength and stamina into the Buick Valve-in-Head engine and sealed chassis—that many Buicks, five, ten or fifteen years of age, are still in service... and the speedometers of many of these cars register 100,000 miles and more.

Buick is built to out-perform. This, together with the beauty and comfort of Buick's Bodies by Fisher, explains why America is driving 700,000 more Buicks than any other car in Buick's price class... and why Buick today wins from two to five times as many buyers as any other car priced above \$1200. Come, see Buick's wide range of body types. Then take the wheel! A single drive will convince you that Buick is the big motor car value of the day.

Buick offers 15 body types, priced from \$1260 to \$2070, f. o. b. factory. Marquette offers 6 body types, ranging from \$990 to \$1060. Special equipment extra.

Convenient terms can be arranged on the liberal G. M. A. C. time payment plan. Buick and Marquette delivered prices include only reasonable charges for delivery and financing. Consider the delivered price as well as the list price when comparing automobile values.
