#### Wishes to Help Others

Spartanburg, S. C.—During my second expectant period I started going down in health. I was in a very miserable condition when I decided to try Dr. Pierce's Favorite Prescription and it surely did help me not only in ridding me of my aches and pains, but I felt so well and contented all through the trying months of expectancy, and I had a much easier time than before. I feel sure I owe to Dr. Pierce's Favorite Prescription, a debt of gratitude. I am glad to give this personal experience so that other women may be helped as I was.—Mrs. Emma Holtzclaw, 528 Kingston St. Dealers. **WHEN CHILDREN Need a Laxative**  
"We have used Thedford's Black-Draught in our family for nineteen years. I have found it of great help in raising my family. I have given it to all six of my children. Whenever they complain of upset stomach, or begin to look pale and sickly, I make a tea of Black-Draught and begin giving it to them. In a day or two they are all right. I give it to them for constipation, and my husband and I both take it. I always give it for colds in winter, for I believe a way to prevent them is to keep the system clean."
