

NEW M. E. CHURCH AT SALEM COMPLETED

First Service Held in New Building Sunday—Locals and Personals From The Washburn Community.

Bostic, R-2, Feb. 10.—Sunday, February 9th, was a joyously triumphant day for Salem Methodist church, South with the recent completion of the new church structure, an unusually large concourse of local and distant people gathered to worship. Presiding Elder E. W. Fox, of the Marion District preached an eloquent and highly edifying sermon. His theme had to do with the Centennial of pentecost, declaring the

cries need of the church, indeed, the painfully evident and universally prevalent lack of happiness necessitates a return to sincere prayer and a profound revival of religion. The people, visibly impressed with the message, will look forward to future visits of this eminent preacher.

"I was so tired when I would arise, in the morning. Instead of being rested, I felt terrible. At last, mother told me to take Cardui, and I did.
