“ FORWARD MARCH ”

NOW IS THE TIME TO STAND BY YOUR HOME TOWN AND YOUR COUNTY

The New Banks Give Stability and Confidence

Let us now forget the past and build for the future. It has been well said: "When you hit bottom, There is no place to go but up."

TRADE AT HOME AND PAY AT HOME

And our city and county will quickly recover from the recent financial blow inflicted by the closing of our banks.

Let's go. We will show the world that Rutherford county can not be halted in its march to progress.

Our merchants still have the goods that you need, and at prices that cannot be beaten anywhere.
