BAPTIST CHURCH NOTES.

The church gave a reception and welcome service from 7:30 to 9:00 p. m., Thursday evening of last week for the new members and the pastor and his family. The pastor, Rev. J. A. Hunnicutt and family had been here one month on this date. All assembled in the auditorium with Mr. B. E. Gold, chairman of the board of deacons presiding. The McDaniel orchestra played a sacred number and then with the organ, piano and orchestra the congregation sang "Blest be the tie that binds our hearts in Christian love." The pastor then read the 133rd Psalm and led in prayer. The orchestra then rendered another number after which Mr. B. E. Gold extended a welcome in behalf of the board of deacons and the church followed by B. E. Roach for the Sunday school, B. L. Davidson for the young people and adult departments, J. H. Sargee for the intermediates P. C. Hawkins for the juniors, Mrs. Charles McCurry for the primaries, Miss Alice David for the beginners and Mrs. D. B. Matheny for the cradle roll, D. C. Whitaker for the B. Y. P. U. and Mrs. Clarence Hames for the W. M. U. and its auxiliaries. Mr. Gold then called Rev. and Mrs. Hunnicutt and two sons to the platform and presented them. Then the pastor took charge and stated that it had been a very busy but happy month since he and his family came on the

field and that he had baptized 103 and total of 149 had been received into the church. All the new members were seated in the middle section of the church and were asked to stand.

Mr. P. C. Hawkins then made some announcements concerning refreshments that were to be served down stairs, but before going down all were asked to remain in the auditorium awhile longer and get better acquainted and then a general handshaking followed. The space between Main street and Reservoir had been kept clear of parked cars and lighted and after being served with refreshments many of the young people played outside while the assembly rooms and corridors were thronged with the others. After leaving the main auditorium the program was informal and everybody was learning everybody else they did not already know. The ladies had been asked to prepare refreshments for eight o'clock, but it seemed that when they got started they could not stop and the folks were urged to go back for more. The Y. W. A. dressed in white with green sashes with "Y. W. A." in white served punch, cake and numerous kinds of sandwiches.

We now have eight B. Y. P. U. We have one primary union with Ferne Pruett, leader; two junior unions with Mrs. B. L. Davidson and Mrs. Gertrude Brindell leaders; two intermediates with Messrs. Lawrence Blanton and Robert Sparks leaders; two Seniors with Messrs. Pittman Hill and Waddell Grigg leaders. There is one adult union with Mrs. Charles Keeter president. There are 231 enrolled in the eight unions and most of these attended the study course. On Monday night of last week examinations were given and 117 awards ordered. Mr. D. C. Whitaker is director of the unions and Mr. Marvin Sparks assistant.

There were several meetings of

various groups and organizations of the church last week and we regret that we cannot give space to report all of them as given.

Besides two splendid messages Sunday by the pastor we enjoyed a special number by a male chorus at the morning hour. Mesdames Simmons and Morgan sang a duet at the evening hour.

The treasurer made a report at the morning service in which he enumerated several extra items of expense, but the thing that interested all most was that the church debt was being reduced some.

FUNERAL HELD FOR ROBERT PADGETT

Mr. Robert Padgett died early Sunday morning at Gastonia and was buried here Monday afternoon. Mr. Padgett was for many years a resident of Cliffside and the body was brought Sunday to the home of his son, Mr. James Y. Padgett. The funeral service was held at the Baptist church, at 2:00 p. m. Monday with Rev. Comstock, Gastonia assisted by Rev. D. H. Rhinehardt local M. E. pastor and Rev. J. A. Hunnicutt, local Baptist pastor. Two of Mr. Padgett's favorite hymns were sung by the choir. Mr. Padgett was born March 15, 1860 and died April 6, 1930. He was converted at the age of fourteen and united with the Mt. Pleasant Baptist church and some time later moved to the Boiling Springs Baptist church where he retained membership until death.

In 1879 Mr. Padgett married Miss Ruth Rozelle Earle and to this union thirteen children were born.

He is survived by one son and five daughters as follows: Mr. James Y. Padgett of Cliffside, Mesdames H. C. Brackett of Boone, N. C.; O. Lynch of Spindale; Robert Brackett, Cliffside; Plato Moore, Shelby and Aden Blanton of Spindale. He is also sur-

vived by thirty-four grand-children and five great grand-children. His wife preceded him to the grave some years ago.

Pall bearers were Messrs. Roy Hensley, Bill Brackett, Lewis Blanton, Cecil Bridges, Escoc Brackett and Lawrence Blanton.

The flowers were carried by Misses Verdie Mae Brackett, Ruth Brackett, Bertha and Kathleen Blanton, Hazel and Eula Brackett, Lillie Blanton, Madge Daniel and Mesdames Flossie Bridges and Eupnice Padgett.

Following the service at the church the body was interred in the local cemetery.

SCOUTS ON OUTING.

The local troop of scouts enjoyed an outing last Saturday afternoon and evening. During the afternoon among other activities each scout took his pencil and note book and was given a period of time in which he walked about making note of all the several trees, shrubs and plants he recognized and made note of the uses of each. A prize was offered to the one turning in the largest and best list. The place selected for this work was one where there is a large variety of trees, etc. Wesley McMurry had the largest number listed, having forty-five with Paul Bridges second with thirty-five. At the meeting Monday night they elected Wesley McMurry, Leon Sargee and Gerard Davidson as delegates to the Older Boys' Conference to meet at Spindale next Friday afternoon.

Cliffside Mills has installed a new system for supplying drinking water in the several rooms of the mills. Sanitary drinking fountains with Frigidaire cooling system have been recently installed.

OLD DOCTOR'S IDEA IS BIG HELP TO ELDERLY PEOPLE

In 1885, Dr. Caldwell made a discovery for which elderly people the world over praise him today!

Years of practice convinced him that many people were endangering their health by a careless choice of laxatives. So he began a search for a harmless prescription which would be thoroughly effective, yet would neither gripe nor form any habit. At last he found it.

Over and over he wrote it, when he found people bilious, headachy, out of sorts, weak or feverish; with coated tongue, bad breath, no appetite or energy. It relieved the most obstinate cases, and yet was gentle with women, children and elderly people.

Today, this same famous, effective prescription, known as Dr. Caldwell's Syrup Pepsin, is the world's most popular laxative. It may be obtained from any drugstore.
