DALTON BROS. STORE NEWS

(By J. W.)

When you go home and find the house turned up side down, and only two boiled potatoes for dinner, keep your head, don't do anything or say anything, just get back to your business as soon as you can. Things are going to be all right just as soon as your wife gets through entertaining some section of the Womans Club.

I see that Bishop Cannon has broken into the newspapers again. I don't know why, but every time I see that man's name I can't help but wonder what kind of stocks he is buying on margin.

Cal. Coolidge wrote about the courtship of his wife last week. I may be mentally off, but I don't see how an ex-president can exploit his private affairs like that for money.

Character is still the greatest outstanding quality of a man. A good name is better to be chosen than great riches.

Rutherford county has the most candidates I ever saw to be so nice to each other. Get some pep in it, gentlemen; tell on each other. Don't seem so good or talk so sweet.

You are going to see some pretty dressed women Sunday. We have already sold them the dresses and we know they look good in them. We feel flattered every day by the nice things people say about our shoe department.

I think Andy has more wit than Amos, but he is a poor business.

After all, I have said very little about our business, but I am expecting you here this week to get your Easter things just the same. You must look good Sunday. A future husband might depend on it.

LONG'S STORE BURNED.

Bostic, R-2, Apr. 15.—The store of Mr. Will L. Long, of Logan Store precinct, Logan Store township, was burned Sunday morning about one o'clock. This store was one of the largest country stores in Rutherford county, and carried a large stock of groceries, dry goods, hardware, notions and clothing. No report of the loss has been received, but it must be several thousand dollars.

Mr. Long recently lost \$2,100 while on his way to Rutherfordton to deposit the money in the bank.
