EASTER PROGRAM **NEXT SUNDAY AT** BAPTIST CHURCH

Evening Services to be Devoted to Musical Program-Other Church Events

The evening service at the First Baptist church next Sunday will be devoted to a program of Easter music. There will be no preaching, the entire service consisting of a musical program. The choir will be composed of about sixty voices, young people, and under the direcion of Mrs. A. M. Glickman, choir director, and Miss Ruth Meares, organist, they are expected to render an unusually good program. A cordial invitation is extended to all to attend this service.

Services of the Week.

In the absence of the pastor, Dr. W. A. Ayers, who is visiting his prayer service tonight (Wednesday) will be in charge of Dr. W. C. Bostic, Sr. This service next week will be in charge of Hon. R. R. Blanton. It has not been announced yet who will preach next Sunday morning in Dr. Ayers' absence.

ference was held Wednesday of last week in connection with the midweek prayer service. Several important matters were brought before the church among them being the matter of appointing a committee to refinance the church debt. The finance and church debt committees were consolidated to form this committee and they were empowered to handle the matter of refinancing the church debt. The members of this committee are: Chairman, G. B. Harrill; T. T. Long, T. R. Padgett, R. R. Blanton, Dr. W. C. Bostic, Sr., V. T. Da-

vis, C. Z. Flack and Geo. D. Horn. The report of the church treasurer, W. L. Brown, and the financial secretary, Mrs. C. A. Ford, were made at this meeting and proved to twenty men, twenty ladies and twenty be very gratifying. The quarterly report of the Sunday school superintendent, E. E. Smart, was also made at this time.

During this conference a most unusual matter came up. This was the request of Dr. Ayers that his annual salary be reduced four hundred dollars. There was some hesitancy at first upon the part of the mother in Virginia, the mid-week church members to lower his salary, but when it was seen that Dr. Ayers was really in earnest in his desire to make this sacrifice for the church, his request was granted by vote of

Sunday School Attendance Good.

The attendance at Sunday school last Sunday was the largest it has been for some time. There was a total of 396 present, including five new pupils and six visitors. All of the departments made good grades, with the general officers heading the list with an average of 95 per cent. The averages of the other departments were as follows:

Adult 41, young peoples 27, intermediate 60, junior 68, primary 74, beginners 73, and cradle roll 42.

Study Course. A large number of the officers and teachers of the Sunday school are taking the study course, which is being given under the leadership of Mr. O. C. Turner. "Pupil Life," is the book that is being studied in this course. Mr. Turner is an able teacher and these lessons are proving very interesting. The class meets every Tuesday and Thursday night at 7:30 o'clock.
