

WILL OBSERVE NATIONAL MUSIC WEEK IN COUNTY

Week of April 27, May 4, Designated as National Music Week—Is Being Sponsored in County.

The Rutherford county celebration of National Music Week will be held the week of April 27 to May 4. This celebration is the organized effort of the individuals and service groups in the county who are interested in promoting love of music, and is sponsored by the Forest City Womans Club and Kiwanis Clubs, and endorsed by The Rutherford County Club. It has for its purpose the awakening of the whole county to the importance of music as a factor in its life. The sponsors hope to reach all the people with the message of music, and the professional and amateur musicians of Rutherford county are responding with the plan of broadening and developing the general love of music in the county.

The evening church services on April 27, will open the celebration. The ministers are asked to stress in their sermons that evening the value of music in life, and the choirs will give special attention to their singing on that evening.

Monday evening, April 28, is designated by the committee as "radio night", and they hope that the music lovers in the county will tune in on some of the great air circuits.

The Shelby high school orchestra will give two concerts in the county on Tuesday, April 29,—at the Rutherfordton-Spindale high school in the afternoon and Forest City high school in the evening. These concerts will be free, and are to be given as a compliment to their friends in Rutherford county. These 43 young musicians, making up one of the best and largest high school orchestras in the south, will be the guests of the Rutherfordton-Spindale Central high and Forest City high schools. They will inspect the beautiful buildings and the splendid equipment of these two large high schools while on their visit. There is no more pleasant feature connected with music week than the visit of these young artists.

The program which will be given by the Shelby school orchestra is as follows:

Overture, Fortune, J. S. Zamecivik
Opera Gems, Mackie-Beyer.
Schubert's Serenade, F. Schubert.
Aida March, Verdi.
Priests March from Athalia, F. Mendelssohn.
Atilla—A Hungarian Overture, Gondor Karoly.
Conductor, Prof. Sinclair.

Wednesday night is home music night. The committee earnestly desires that every family in the county has some kind of "home made" music from 8 to 9 o'clock.

Thursday night, may 1st, is public school music night at the high school. It will be under the direction of Mrs. A. M. Glickman, public school music supervisor for Cool Springs township. At this concert the best talent in the county schools will be heard. The district contest winners from Forest City high school will sing, and the various glee clubs from the other schools. This will be a concert that will interest every person in the county. Our schools have been forging rapidly to the front in music, and this will give the patrons a chance to hear the students organizations and judge their progress. There will be no admission charge to this concert.

Friday night, May 2nd, will be the

IMPORTANCE OF THE PRINTED FROCK

With many of Fashion's recent problems definitely settled we survey the horizon with an eye to Fashion in general—only to find that this is obviously to be a "Printed Season." Dresses for every hour of the day, whether silk, cotton or rayon, feature charming colorful designs with a decided leaning toward the small patterns, either widely or closely spaced. In a recent interview in New York with Lane Bryant, the country's greatest specialist in slenderizing Fashions for Stout Women, we learn that prints are unusually kind to the stout figure because they tend to diminish the effect of size and give the figure a more compact and graceful line. That is why she is featuring them in her style book which she sends free on request to all stout women everywhere. Charming printed frocks like those pictured have been heartily endorsed by the 800,000 stout women all over the country who order from her by mail. It is therefore safe to say that printed frocks must play an important part in every well-planned Spring and Summer wardrobe. county singing. Every club and civic organization in Rutherford county will take part in the program. The Spindale Band, the Spindale Quartette, The Kiwanis Clubs of Forest City and Rutherfordton, The Community Lion's Club, all the county womans' clubs and various church choirs in the county will participate in the program. The choirs will lead in singing familiar songs, and the audience will join them. The committee hopes that this will be the big night of music week.

No admission will be charged at any program, and the sponsors hope that every seat in the high school auditorium will be filled on each evening program.

82 CARS SHIPPED.

The Farmers Federation has shipped nine carloads of locus posts, 40 carloads of chemical wood, 11 cars of shrubbery and 22 cars of poultry and eggs from January 1, 1930, up to April 15, 1930. The latter item alone brought more than \$100,000 into Western North Carolina. The Federation is a pioneer in poultry shipping and has been instrumental in keeping the price up for the seller. It has been instrumental in bringing into Western North Carolina untold wealth and has done much to create a spirit of optimism among farmers in this section.
