Rev. A. T. Stoudenmire, of Spartanburg, S. C., performed the ceremony.

M. E. CHURCH EASTER CONCERT

Easter Music Program Well Attended—One of Best Ever Given.

The Easter concert given by the Methodist church choir on last Sunday evening was well attended and considered by many to be the best program ever rendered by this choir.

Among those singing solo parts were: Mesdames Ernest Robertson, Burwell Moore, Bert Moore, Misses Annie Lee Biggerstaff, Sally Mae Sitton and Mr. Henry Giles.

The co-operation of the choir members with their director, Mrs. J. S. Rudisill, during their rehearsals enabled them to carry out the program with unusual grace and ease.

The primary and junior departments gave a most impressive program at the Sunday school hour. Special mention should be made of the selections by Tribby Hewitt, Henrietta Price and Irene Green. Readings by little Nancy Sutton, and Katherine King were well received.

A program of Easter music was given by the young people of the church on Sunday evening, April 13th. Outstanding singers on this program were Martha Moores, Katherine Bradley, and Harry Kendrick.

Each program during Easter week was well received. Too much cannot be said in praise of the capable and efficient leadership of Mrs. Rudisill, the choir director.

WOMAN'S CLUB

Dramatic Department.

The Dramatic department of the Woman's club held a most delightful meeting last Thursday evening in the attractive home of Mrs. J. W. Dalton. The hostess served delicious refreshments. Mrs. B. T. Jones and Miss Louise Lattimore were joint hostesses to the club.

After an interesting business meeting Mrs. A. C. Finch had charge of the program. She presented Mrs. P. B. Moss, county welfare superintendent, who gave a review of "Look Homeward Angel" by James Wolf. Mrs. Moss very ably and enthusiastically discussed the book which is more interesting to us because of the fact that James Wolf is a native North Carolinian.

At the conclusion of the program the hostesses served delicious refreshments to the members of the club and several guests.

The compositions of Edward MacDowell, one of America's most famous composers, were given before the Forest City Music Club at the regular meeting Friday afternoon, April 18th at the home of Mrs. F. F. Black, with Mesdames J. T. Camp, O. B. Green and Miss Ruth Meares, as joint hostess. The attractive home was made beautiful with spring flowers and Easter decorations.

Mrs. Webb, president of the Woman's Club, presented for our consideration the question of combining all departments of the club into one for the coming year. The vote on this matter will be taken at the general meeting in May.

Miss Goggans again called attention to music week, which is to be observed by our town and community, May 4-11. The music and Kiwanis clubs are sponsoring this celebration and it is hoped that the whole community will support it with their presence at the performances.

Mrs. Glickman made an appeal for financial help in sending the glee clubs and soloists who won in the contest to Greensboro. The club members responded enthusiastically and contributed to this fund.

The club was delighted to have several visitors appear on the program. Mr. Johnnie Washburn of the junior club and Mrs. Edelstein played selections from MacDowell, Miss Helen Bobbitt sang three of the composer's well known songs. Mrs. T. R. Padgett gave a most interesting talk on the life of MacDowell and his memorial colony at Peterborough, N. H.

At the conclusion of the program the hostess served delicious refreshments, carrying out the Easter idea. A number of guests were present.
