

DRUGGISTS HOLD ANNUAL BANQUET WEDNESDAY NIGHT

Mr. David Owens, of Charlotte, Principal Speaker at Third Annual Banquet of Druggists.

Rutherfordton, May 19.—In a stirring address before the Rutherford County Druggists Association here Wednesday evening Mr. David Owens, general manager of Ivey's Department store, of Charlotte, declared that the modern women had put out of business the dirty, unkempt and badly managed stores and places of business, and had encouraged the growth of well kept institutions where courtesy and service were the byword. The theme of Mr. Owens' address was "Progress." He prefaced his speech with a number of humorous stories, and illustrated many points in his address with a brand of humor characteristic only of David Owens.

Mr. Owens declared that this was an era of tremendous prosperity, despite the fact that calamity howlers were preaching to the contrary. This is an age of scientific business, he said, and the business not operated along scientific lines, be it a grocery, drug or dry goods store, is eventually headed for the rocks.

"The chain store system is one of the most scientific and economically operated systems ever devised. To compete with them the independent merchant must eliminate much of his overhead, carry in stock what is

demanded by the customers of that particular store, give service, interspersed with courtesy. Mere words and lengthy radio addresses will not stop the chain stores. It is up to the customers as to whether the independent merchant or the chain merchant survives. The women of America dictate to the merchants what they shall carry in stock, the price, and the mode in which it is dispensed. They will go to the place of business that is scientifically run, where service, cleanliness and courtesy prevails."

He appealed to his associates to put "their whole soul into the work" and appropriately illustrated his point.

Mr. B. P. Scruggs, vice president of the association, acted as toastmaster. About forty members of the association, their wives, guests, friends, and members of the press were present. The dinner was served at the Isothermal hotel, and the menu consisted of fruit cocktail, celery, olives, pickles, fried chicken, macaroni, creamed potatoes, green peas, banana fritters, lettuce salad, hot rolls, ice cream, cake and tea. Each guest found his or her place by means of attractively printed place cards bearing the menu, program, officers of the association and other information.

R. E. Price returned thanks, Mrs. W. R. McDonald presented five small girls and two boys of the Spindale school in Scottish and French Apache dance numbers.

Dr. O. J. Mooneyham, of Henrietta, gave the address of welcome in a brief, appropriate manner.

Several entertaining selections were given by the Keeter twins, with little Miss Vivian Keeter at the piano. A soprano solo, Mrs. Clarke White, of Charlotte, was given, also a solo by Mr. Walter Scott, of Charlotte. The Scott quartette, of Charlotte, gave two enjoyable selections, "Sweet and Low" and "Old Virginia." Dr. and Mrs. W. R. Hicks, of Chesnee, also gave several string music selections.

Messrs W. R. McDonald and Linwood Robinson, black face comedians, imitating "Amos 'n Andy," gave a skit which proved a feature of the program. Their act represented the opening of the "New Hope

Drug Store," and the difficulties facing that institution.

The speaker of the evening, Mr. Owens, was presented by R. E. Price. Following Mr. Owens' address the meeting adjourned.

This was the third annual banquet of the Rutherford County Druggists Association. Members of the association are the Cliffside Drug Co., Henrietta Mills Drug Co., Hall-Rudisill Drug Co., Forest City; Mooneyham Drug Co., of Henrietta; Reinhardt Drug Co., of Forest City; The Robinson Drug Co., of Rutherfordton; The Thompson Watkins Drug Co., of Rutherfordton; and the Spindale Drug Co., of Spindale. Officers of the association are J. S. Rudisill, president; B. P. Scruggs, vice-president; W. R. McDonald, secretary-treasurer and O. J. Mooneyham, attorney.

The association was organized in April, 1927, and is one of the two active druggists associations in the state.

BUICK

TO THIS BASIC
SERVICE
POLICY...

"Satisfy the customer." This has been the service policy of the Buick Motor Company throughout the twenty-seven years of its history. And so faithfully has Buick followed this policy that today the familiar emblem of Authorized Buick Service means prompt, efficient and courteous maintenance to more than 1,500,000 Buick owners. Buick has twice as many owners as any other company selling cars priced above \$1200.

Here are a few of the many important points of Buick's Service Policy: More than 4,000 factory-supervised Service Stations assure all Buick owners the same fine standard of skilled Buick service. A written Warranty, covering the first 4,000 miles or the first 90 days of ownership, whichever shall accrue first, guarantees every new Buick car to be free from defects in material or workmanship.

Should parts or workmanship prove defective at any time during the Warranty period, Buick dealers will supply the parts and perform the necessary labor free of charge.

In addition to careful pre-delivery tests, the Buick owner receives two major inspections without cost—one after 500 miles and another after 1500 miles of driving. These include a thorough road test of all elements of performance.

The "Tourist" and "Change of Residence" clauses permit the Buick owner to change his residence as frequently as he desires or to tour any part of the U. S. or Canada and still receive the full Warranty benefits from the nearest authorized Buick dealer.

ALL BUICK dealers fulfill these provisions of BUICK'S service policy. All dedicate themselves to the task of serving promptly, efficiently and courteously.
