A WORD OF APPECIATION

As one of the defeated candidates for sheriff I wish to express my heartfelt thanks and appreciation for the support I received from my friends all over the county. I hope the friendship will continue to grow. I have no ill will toward any candidate, and will support the nominee this fall with all my power and urge my friends to do so. Again I wish to express my gratitude to all my supporters, and to the entire citizenship of Rutherford county, as I shall always consider you my friends because the best of friends can disagree and still be friends. But my sentiments shall ever be "Let me live in a house by the side of the road, and be a friend to man," and the democratic party.

**FAVORITE RECIPES
OF A FAMOUS CHEF**

As Told to Anne Baker
By ROGER CRETAUX, Chef,
The Roosevelt, New York City

Spaghetti Imperial—Heat one-fourth cup salad oil in a saucepan. Add two medium-size chopped onions and two tablespoons chopped green peppers. Cook until half tender. Then add one pint canned tomatoes, one teaspoon salt, and one and a half lumps of sugar. Cook slowly until the onions and peppers are done, and the sauce is reduced by about one-third. Have ready one-half pound cooked spaghetti. The spaghetti is cooked by dropping it in rapidly boiling, salted water and cooking until tender. Place the spaghetti in a heated dish. Pour the sauce over it, and grate over the top, two ounces of Parmesan cheese.

Roger Cretaux

Stuffed Cucumbers—Cut three medium-size cucumbers in half lengthwise, and cook until tender in salted water. Scoop out the centers, and fill each half with a mixture consisting of three cups cooked rice, one cup chili sauce, one tablespoon vinegar, one tablespoon sugar, two tablespoons tomato ketchup, one teaspoon paprika, salt and pepper to taste, and one large onion which has been chopped fine and cooked in melted butter. Serve immediately, being sure that the portions are very hot.

**TRAIN WITH TELEPHONES
TRIED OUT 20 YEARS AGO**

One of the earliest demonstrations of the use of the telephone on a moving railroad train in this country was made over twenty years ago when the special train of the Chamber of Commerce trade extension excursionists from Pittsburgh was equipped with telephones.

This was in September, 1908. Telephones were installed in each car and the members of the party, were enabled to communicate with each other on the train, although in different cars and while the train was in motion. Connection was also established when the train stopped at various places en route, including Parkersburg, W. Va., Canal Dover, O., etc. The members of the Chamber of Commerce were able to converse from their individual Pullmans to their homes in Pittsburgh.

**CLAIMS WORLD'S MOST
WIDELY TRAVELED VOICE**

Telephone calls from the Hotel Savoy in London to New York, Geneva, Copenhagen, Berlin, Paris and Stockholm are almost an every day occurrence. The operator in charge of the hotel's switchboard claims a record of having spoken to every country in the world that is connected by telephone with London, and it is his boast that he has the most widely traveled voice in Great Britain, if not in the world. Telephone books are on file at the Savoy Hotel representing no fewer than 28,000,000 telephones in the United States, Canada, Mexico, Cuba, and the countries of Europe that are linked to London by telephone. The only European country not so represented in this list is Soviet Russia.

Commercial telephone service was established between the Southwestern parts of Finland and all parts of England.
