ceratic victory in November that

This belief is shared by scores of others, including some of the

Some of the Republican leaders still have the hope that there will be enough Simmons supporters

who will refuse to vote for Bailey in November and thus vote for the

Republican candidate for the senate to enable them to elect a Republican senator. But the majerity of the Republicans are frankly discouraged at the results of their primary and at the outlook for victory in November.

Mr. Bailey already sees the opportunity that is his to capitalize on this sentiment over the state and is losing no time in making the most of this opportunity. Those who know Mr. Bailey and his style of campaigning believe that he will grant little quarter to the Republicans in the campaign this
