ELLENBORO PEOPLE ORDER LARGE NUMBER CANS

Ellenboro, June 30.—As a result of more than 8,000 tin cans ordered and distributed to members of the Ellenboro Canning Association last week, by A. B. Bushong, agricultural teacher for the school, a real live-at-home program was begun by the housewives of the Ellenboro community and Colfax township.

The majority of the cans are filled at this date with beans, peaches and other crops from the garden and orchard. Another order of cans is due to arrive this week to be distributed to the members of the association for canning purposes. In addition much canning has been done in glass jars.

Sixty members at present make up the association, the majority of whom can for home consumption alone. As a result of being organized into a canning association each member gets his or her cans at a cheaper cost.

Carpet grass is succeeding in pastures in Rowan county reports W. G. Yeager, county agent, though this county is thought to be rather far west for this particular type of grass.

No Dull Days at 54

"It took me five years to find out what to take to get rid of the biliousness and indigestion I used to suffer because my liver didn't seem to be functioning. I know now," says H. W. Seely of 1048 Rigsby St., in San Antonio. "It's Herbine. I only have to take a teaspoonful of it in a little water whenever I feel that my stomach and bowels need help, and I'm never troubled with indigestion, sick headache, sour stomach or gas any more."

Herbine is a vegetable liquid which does nothing more than help the stomach and bowels take care of the food you eat. By keeping them active, your food nourishes you, instead of souring and turning to acid. Get Herbine from your druggist and see why many people would not think of punishing their systems by taking harsh salts, oil or mineral cathartics.

LADDIES BOW TO FOREST CITY, 8-5

Holding the Charlotte Firemen helpless until the eighth inning, Shippy pitched Forest City to an 8 to 5 victory over the Queen City Laddies here Saturday.

The visitors bunched four hits with two errors in the eighth to score their entire total of five runs. Friday and Bragg hit home runs for Forest City. Andy Ferguson pitched a fairly good game for the visitors.

COUNTY HEALTH OFFICER GIVES 4,113 INOCULATIONS

Rutherfordton, June 30.—During the past week Dr. J. C. Twitty, county health officer, gave 4,113 inoculations for typhoid and diphtheria, in his annual typhoid-diphtheria campaign. The totals for each day last week follows: Monday, 1,028; Tuesday, 830; Wednesday, 1,078; Thursday, 517; Friday 681. Of the total number of inoculations, 3,192 were for typhoid and 921 for diphtheria.

FIGURE THIS ONE OUT.

A man was one day visiting a lunatic asylum, and while walking in the grounds he met a patient to whom he said: "How did you get here?"

The man replied: "Well, sir, you see I married a widow with a grown-up daughter, and then my father married my wife's daughter. That made my wife the mother-in-law of her father-in-law, and my father became my step-son. Then the step-mother, the daughter of my wife, had a son, and that boy, of course, was my brother, because he was my father's own son, and he was also my wife's step-son, and therefore, her grandson, and that made me the grandfather of my step-brother. Then my wife had a son, so my mother-in-law, the step-sister is my wife. I am the brother of my own son, who is also the son of my step-mother. I am my mother's brother-in-law my wife is her own child's aunt, my son is my father's nephew, and I am my own grandfather. That's one reason why I'm here, sir."—Ex.

Adults Contract Children's Diseases

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults — White's Cream Vermifuge, which you can get at Peoples Drug Store.

Middle Life Suffering

"THREE years ago, I was in bad health," says Mrs. J. B. Bean, of Kirbyville, Texas. "I was going through a critical time, and I suffered a lot. My back hurt almost all the time, and my legs and ankles ached. My head hurt me until sometimes I would be almost past going. "As I had used Cardui before, and knew how much I had improved after taking it, I got a bottle and started taking it. I continued to use it for several months. After awhile I regained my health, and I feel that I could never have gotten through that awful time without Cardui."

When A CLEANSING MEDICINE Is Needed

"I HAVE taken Black-Draught all my life, whenever in need of a medicine for constipation," says Mrs. G. C. Burns, of Buna, Texas. "My mother and father used it in their home for years, and I was raised to think of it as the first thing if I had a headache or was constipated."

"At one time I had indigestion real bad. I was all out of sorts; my skin was sallow, and I had gas pains. After a course of Black-Draught, I got all right. I have given Black-Draught to my children, whenever they needed a medicine of the kind."
