Potted plants, lark spur, sweet peas and Queen Ann's lace, formed the decorations that added much to the occasion. As a prelude, Miss Lela Morris played, "To A Water Lily," and throughout the ceremony Schubert's serenade was the charming musical background. The bride was attractive in a chic traveling ensemble of navy georgette, with accessories to match.

The bride is a graduate of the North Carolina college for Women, Greensboro, class of 1929, and taught in the public schools of Shelby the past year. She is one of Rutherfordton's most charming and cultured young ladies.

Patronize Your Community Stores and Firms

Civic Patriotism

IT IS THE DUTY OF EVERY LOYAL FOREST CITY CITIZEN TO KEEP HOT TRAILS OF HOME PATRIOTISM.

A community's growth and permanent progress is measured entirely by the scope of its commercial activity. BY ITS ABILITY TO SUPPLY A MEANS OF LIVELIHOOD FOR THOSE WHO REQUIRE IT. This situation rests entirely in the hands of we Forest City citizens and not only becomes a civic duty BUT A PATRIOTIC DUTY.

WE FOREST CITY FOLKS SHOULD BE KNOWN ALL OVER THIS SECTION AS BIG-HEARTED, HARD-HITTING, CIVIC BOOSTERS. And we want you to apply this splendid quality to a feature of our community life and on a 100 per cent basis. THIS IS TO TRADE AT HOME. Pulling dollars out of a community is another form of pulling out the very props that serve as its foundation.

Patronizing the business men of other localities and living in Forest City is straddling the fence that divides the splendid force which you could otherwise be lending to our city's progress. This might be plain talk, friends, BUT IT IS ALSO PLAIN FACTS.

The merchandise, prices, and service offered the Forest City purchasing public preclude any excuses that might be offered for trading outside our own city. THERE IS NOTHING TO JUSTIFY SUCH ACTIONS AND STILL WANT TO BE KNOWN AS A LOYAL FOREST CITY BOOSTER.

The furniture stocks of our city, the clothing, drug, hardware, bakery, auto, shoe, jewelry, building supply, household, millinery, photo, electrical, plumbing, printing and in fact almost every class of merchandise or service to be found elsewhere, is here in such degree and sufficiently as to make Forest City a trading center able to supply your every want and AT MONEY-SAVING FIGURES.

Realize the truth of this statement, friends, and resolve deep down in your hearts to be a 100 per cent, Loyal Forest City Citizen by being 100 PER CENT LOYAL TO ITS COMMERCIAL, PROFESSIONAL AND MANUFACTURING INTERESTS.

This means PROSPERITY, Civic Advancement and hitting the line that helps to retard our civic progress—AND HITTING IT HARD.
