FAMILY DOCTOR MADE MILLIONS OF FRIENDS

Fifteen years after his graduation Dr. Caldwell became famous for a single prescription, which now, after forty years, is still making friends. Today Dr. Caldwell's Syrup Pepsin is the world's most popular laxative. Millions of people never think of using anything else when they're constipated, headachy, bilious, feverish or weak; when breath is bad, tongue coated, or they're suffering from nausea, gas, or lack of appetite or energy. Dr. Caldwell's Syrup Pepsin is made today according to the original formula from herbs and other pure ingredients. It is pleasant-tasting; thorough in the most obstinate cases; gently effective for women and children. Above all, it represents a doctor's choice of what is safe for the bowels.

Thin, Pale, Weak

"I HAD been through a bad spell of sickness which left me very weak," says Mrs. Virginia Spruce, of Stapleton, Va. "I was pale and felt lifeless, and my strength did not return. I spent most of my time on the bed. I was very nervous, and the least thing upset me. I did not have strength enough to lift a broom. At times I would have bad headaches, which would hurt me until I could hardly see. "Someone asked me why I did not try Cardui. I had read of it, so I thought I would see what it would do for me. It was really remarkable how I came out. My strength returned, and my health was better than it had been in years. I gained in weight about ten pounds. My color was good, and I ceased to suffer from headaches. I have told my friends about Cardui because I was benefited after taking it."
