**HOME AND FARM AGENTS RETAINED**

**Commissioners Take No Action on Forest Mire Protection and Fishing Licenses.**

Rutherfordton, Aug. 11.—At a meeting of the board of county commissioners held here last week, the board decided, on Wednesday, to retain the offices of home agent and farm demonstration agent. This action came after a heated protest made by a large number of citizens living in the rural communities following the announcement that this work would be discontinued.

The commissioners announced that they would not put the county fishing license into effect now, and had not definitely decided about the \$600 annual appropriation for forest fire control work.

A large number of farmers and farm women went before the board on Tuesday and urged strongly that the two offices of farm demonstration agent and home agent be continued. Among the speakers urging this action were Attorney M. L. Edwards, J. C. Buff, J. H. Burwell, O. C. Erwin, J. F. Flack, W. W. Hicks, Mrs. Grant Allen, Mrs. J. Gordon Reid, Mrs. J. R. Moore, Mrs. Annie Logan, Mrs. F. E. Bridgeman, and Watson Freeman, the latter colored. Freeman made a plea for the work and pointed out that the agents had helped the colored people to a great extent. Although any opponents of the measure were given an opportunity to speak, no one spoke a word against the continuance of the offices.

Other delegations appeared and urged the commissioners to continue the Forest Fire control work and the placing on of fishing licenses. There were no opponents of the measures, but to date no definite action has been taken, other than the announcement that the licenses will not be put into effect at present.

**RUTHERFORDTON KIWANIANS TO HOLD FARM PICNIC**

Rutherfordton, Aug. 11.—The annual Farmers-Kiwanis picnic will be held at the farm of W. T. Bennett, near Gilkey, Thursday evening, August 14 from 5 to 8 p. m.

It has been the custom for several years for a number of farmers to entertain the Kiwanians and their wives at a picnic supper somewhere in the county. The supper has been held at the fair grounds several times, but it was decided to hold it at Mr. Bennett's farm this year. Every farmer in the county is urged to attend, bring his family and a well filled dinner basket, and enjoy the evening. It will be a general farm-picnic.

The local Kiwanis club entertains a number of farmers each year, usually in the winter time, who take part in the crop and livestock contest sponsored by the club. This is always a happy and pleasant occasion. The farmers reciprocate this courtesy with the picnic, but this year it is to be a general farm picnic.

Mr. Bennett is one of the county's most progressive farmers. He has always taken part in the Kiwanis club contests and usually wins one or more prizes. He grew a total of 462 bushels of wheat this season on 28 acres of land.

Geer and sister, Miss Madge Wilkins, were hostesses to the Davis-Dickerson-Mills chapter, United Daughters of the Confederacy, at their home on the Chimney Rock road Friday afternoon. Mrs. A. A. Williams, a visitor to the community from Fort Valley, Ga., and a daughter of Mrs. K. J. Carpenter, gave several readings.

Mrs. Curtis Twitty and W. R. Hill furnished special music, which added much to the occasion.

A girl isn't necessarily timid because she jumps at a conclusion.

**Adults Contract Children's Diseases**

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pains. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults—White's Cream Vermifuge, which you can get at Peoples Drug Store.

Rutherfordton, Aug. 11.—The students of D. F. Morrow, of Rutherfordton, plan a reunion at Columbus, Polk county, on August 16. The meeting will be held in the courthouse and will last all day, with a picnic dinner served on the grounds.

Mr. Morrow taught the youth of Rutherford, Polk and other counties in this section during the eighties in the three R's. Some of his students have made outstanding records. E. B. Cloud of Columbus, Democratic nominee for the legislature, O. T. Waldrop, of Rutherfordton, prominent merchant and former sheriff of Polk county; Frank Burgess, of Columbus, former register of Deeds of Polk county; John L. Jackson, of Tryon, prominent merchant; and the late W. B. Edwards of Mill Spring were students of Mr. Morrow.

**N. S. Lachicotte To Speak At Ellenboro**

Ellenboro, Aug. 11.—Mr. N. S. Lachicotte, Seaboard agricultural agent from Hamlet, N. C., has been secured by A. B. Bushong, local agricultural teacher, to speak to Ellenboro sweet potato growers, Saturday, August 16, at 2:30 p. m., when the growers are asked to meet in the Ellenboro school to consider storage and other problems for this year. Each grower whether stockholder or not who expects to store sweet potatoes at Ellenboro this Fall is urged to be present and supply himself with storage space.

Mr. Lachicotte is interested in the sweet potato development within the Ellenboro community, and you can expect a vital message from him. The sweet potato acreage within the Ellenboro community has increased from 30 to 50 percent over last year and in view of the fact that favorable growing weather has prevailed for the past few weeks it is expected that the largest crop in the history of sweet potato growing within the Ellenboro community will be harvested this season.
