

CHESTNUT HILLS

Chestnut Hills, Aug. 19.—Miss Virginia Poole, of Greenwood, S. C., who has been visiting the Asburys at the Sam-Tom Cottage for a week, returned to her home Saturday morning.

Mrs. C. A. Mees and Mrs. Frank Lane Miller, of Charlotte, spent several days with Mrs. J. Rush Shull last week.

Mrs. John Layne of Avondale, has been visiting her mother, Mrs. Z. O. Jenkins, for the past week. Mr. Layne spent the week end here.

Mr. Jim Squires of Charlotte, spent Sunday with Mr. Joe Shull.

Miss Virginia May Love spent the past week-end with Miss Jane Marshall in Gastonia. Miss Marshall accompanied Miss Love home and will be her guest for a few days.

Miss Geneva Dozier, of Charlotte, is the attractive house guest of Miss Lia Gordon King.

The residents of the Hill regretted very much to learn of the automobile accident Monday when Mrs. John McFalls, of Gastonia, Miss Mae McIver and Miss Amanda Haynes were all injured when Mrs. McFalls' car skidded on the wet pavement near Rutherfordton and ran into a telephone post. They were taken to the Rutherford Hospital for examination and treatment and at this time are reported improving with apparently no serious complications. Mrs. McFalls and Miss McIver were guests of Mr. and Mrs. Walter Haynes at The Hodge Lodge and were en route to Mrs. McFalls' home in Gastonia when the accident occurred.

Mrs. Zebie Frye Turner and Jack and Francis Turner, and Miss Jack Stinson of Charlotte, are occupying the "Wonder View Cottage" for this week.

Joe Shull is entertaining a house party of young men from Charlotte, this week. This party includes David Alexander, Frank Edmondson, James Oates, Ned Whitton and Joe Thompson.

Mr. and Mrs. Lawrence Wilkerson and children, of Charlotte, spent Saturday and Sunday with Dr. and Mrs. J. Rush Shull.

Move to Wipe Out "Athlete's" Foot Menace in Cities of United States

ENOUGH tiny parasites to infect every person in the United States with athlete's foot are lurking on the glass plate shown above. They are being examined by a New York bacteriologist. The plate contains billions of Tinea Trichophyton, which cause the foot malady, a form of ringworm, and these parasites were cultivated from a single specimen overnight.

Widespread evidence of this disease, which has caused some schools to close and has indicated that an outbreak of it might come to any village or city of the United States, has caused medical men in all parts of the country to study means by which it may be eradicated. Constant use of antiseptic is being urged as a means to aid the fight against this age-old malady which has recently taken a more serious appearance in this country. The photograph was taken in the Pease Laboratories in New York where scientists are constantly studying the disease in an effort to control it.

EAGLE TO SUPPLANT DONKEY ON BALLOT

Raleigh, Aug. 18.—Whether Democrats tore a leaf from the ancient book of Republicanism, the Jeffersonians won the state board of elections which allowed the party of Jackson, Cleveland and Woodrow Wilson use of the eagle to identify the Democratic ticket.

The Democrats wearied of riding the donkey and decided to mount up as an eagle's wings, to run and not get tired, to walk and not faint. They chose the eagle, a talisman which brought luck to the Republicans many years. The Republicans decided to retain their elephant and the elector who undertakes to vote without assistance this fall can tell whether he is Democratic or Republican by being able to remark the difference between an eagle and an elephant.

There will be six ballots in the whole ensemble of the fall voting and the senatorial candidates will head the first of the six. Over the name of J. W. Bailey will appear the eagle and above the name of the Republican candidate, George M. Pritchard, will hover the elephant.

If you would outshine your neighbors acquire a good reputation and then keep it polished.

Race Drivers DEMAND the TIRES WE SELL!

THE Indianapolis 500 Mile Endurance Race is famous as an endurance test and battle of tires for no driver can win this race who has tire trouble. He races over a hot brick track at a speed of 100 or more miles per hour. For eleven consecutive years Firestone Gum-Dipped Tires have been on the winning cars.

FOR years the winner of the hazardous race of Pike's Peak climb—where a slip meant death—used Firestone Gum-Dipped Tires.

1. THESE drivers do not simply choose Firestone Tires. They demand them. They know by experience that this tire never fails. It never fails because it is built not to fail by the special Firestone processes of tire building.

(a) Every fibre of cotton thread going into the making of the cord fabric, which is the foundation of the tire, is coated and cushioned in rubber by the Firestone patented Gum-Dipping process.

(b) Under the tread is the Firestone patented Gum-Dipped Double Cord Breaker—which means not only two extra plies where most needed, but also sets the Firestone Tire apart as an all cord tire, while others are woven fabric and cord.

(c) Firestone Super High Speed Tires now have 32% more rubber in the tread, giving deeper grooves that will give you over 50% more non-skid wear before the tire is smooth.

2. THESE are not just features. They are basic differences in tire building proved by service on every kind of road and track.

3. YOU may never intend to race. You may never intend even to speed. You may never climb Pike's Peak. But, every day—whether you know it or not—your life depends upon your tires.

4. WE HAVE these Super High Speed Gum-Dipped Balloons for sale today. They are the same tires that the racing drivers demand—the premier tires of the world. Their first cost is low. Their cost per mile of service makes them cheaper today than even cheap tires. They are inexpensive, not only because the price of rubber is low, but because we have joined with Firestone to bring into the sale of tires the same degree of efficiency which goes into their manufacture. The benefit of all this is in the price to you.

5. DRIVE IN TODAY. We will examine your tires and make you an allowance for your unused mileage. We can equip your car with new Firestone Super High Speed Tires at a much lower cost than you ever expected. They will give you unequalled service and satisfaction.
