

We are all subject to colds. But they need not cause us suffering. Bayer Aspirin breaks a cold in a hurry. Or taken in time, heads it off entirely. You can avoid other suffering the same way. Headache, and even the pain from neuralgia, neuritis or rheumatism, yields to Bayer Aspirin. It always helps; never harms; does not affect the heart. *Genuine Bayer Aspirin* has Bayer on the box and on each tablet.

**UNDER** the non-skid tread of these famous Firestone Tires is a double breaker of two plyies of cord fabric anchored in cushion rubber. This special construction absorbs road shocks — protects against punctures and blowouts — provides the foundation for the thick, tough tread with deeper grooves — giving longer non-skid wear.

**OTHER** makes of tires have only a single breaker of old-fashioned square woven fabric which Firestone discarded when they developed the balloon tire. Some makes do not have any breaker at all! The Firestone Tire is set apart as an "All Cord Tire".
