ELLENBORO SCHOOL TEAM CLOSES GOOD SEASON

Ellenboro, Sept. 16.—Coach Louis W. Nanney and his "Country Gentlemen" closed a successful season here last Friday by defeating Mt. Vernon 7 to 1.

This was the ninth game of the fall season and marked the ninth straight win for the local team. It seemed that the closing of the High school was the only thing which could put an end to this team's winning streak. For the next six weeks the Country Gentlemen will have a good chance to review their personal mistakes and brilliant plays, while picking their ten cent cotton.

In the eight games played the team has hit for an average of 375 while "Dutch Allen" led the club with an average of 619 followed closely by C. Allen and Lloyd Greene. The locals have secured 122 hits and 91 runs to 30 runs and 46 hits of the opponents.

In this last game with Mt. Vernon, C. Allen allowed the opponents just 4 hits and backed by timely

hitting and three fast double plays by V. Allen and Red Wilson, had an easy time winning his game. Wayne Edgerton pitched a good game for the opponents but his team mates were unable to hit in the pinches.

Any coach wishing to schedule basketball or baseball games for the coming seasons are asked to get in touch with the local coach.
