## BAPTIST CHURCH NOTES.

Several of our members attended the Association meeting at Spencer church at Spindale last week. Our pastor, Rev. James Allen Hunnicutt was elected clerk of the Association. At the same time Mr. G. B. Prueett of Ellenboro who has served twenty-seven years as clerk was elected clerk emeritus, which was very fitting as he has served faithfully all these years.

Attendance was off some at Sunday school last Sunday. There were 424 present with 12 visitors and seven new members enrolled. We gladly welcome all these.

Just before the morning sermon the treasurer, Mr. P. C. Hawkins gave to the church his financial report for the month of September which was very encouraging. It showed that though times are hard contributions were growing in amount and that \$300.00 was paid on the debt in addition to the interest paid. If all would help just a little it would mean so much to the Kingdom work.

The text was Matt. 25:25, and the subject was "Talent Hiding."

Sunday afternoon the girls chorus and the male chorus went to Shelby where they sang at the Cleveland County singing convention.

The B. Y. P. U.'s were well attended Sunday evening, but several did not go into the general assembly room when the Unions met for the closing period. There were 165 present in the closing assembly. The R. C. S. Union won the banner for the week. The Truett and Stephen Unions reported that they gave a "P. W. O. Q." (program without a quartet.) Several others in the other six unions did not read from their quarters but if one does it the union cannot report a P. W. O. Q.

Several are expecting to attend the B. Y. P. U. rally tonight, (Monday) at Rutherfordton.

The evening lesson was from Romans 12:1-9 and the subject was: "Is it hard to live a Christian life?" We have heard several favorable comments today on both the messages yesterday.

We are planning and praying for the series of revival services to start at the Baptist church Sunday, October 26, one week from next Sunday and present plans are to present at the evening hour a pageant. Mrs. D. C. Whitaker assisted by Mrs. Charles McCurry and others will direct it. This pageant is given in connection with "Visitation Week."

The Workers' Council will meet this week on Friday night instead of Thursday night. Please remember this change. The meeting will be held at the church at 7:15 p. m. Every teacher and officer is urged to be present.

Next Sunday evening at 7:15 the pastor will preach a Masonic sermon and the public is invited. Especially are Masons invited to this service. Masons are expected to be here from several towns. All Masons will assemble in one of the assembly room down stairs and march into the auditorium in a body where seats will be reserved for them.

Among several visitors at church last Sunday were Mr. and Mrs. William Copeland and son, Mr. Alex. Copeland, of Landrum, S. C., and Prof. and Mrs. E. G. Burton of Gaffney, S. C., who attended the morning service.

## GRIFFIN-WOMICK.

A marriage of interest to their wide circle of friends was that of Miss Lee Womick to Mr. Forrest Griffin which was solemnized at the home of the bride's parents, Mr. and Mrs. Q. L. Womick at three o'clock Sunday afternoon, October 12, 1930.

Shortly before the hour for the ceremony members of the families of the contracting parties assembled in the living room which was tastefully decorated for the occasion with cut flowers and ferns making a beautiful background for the impressive religious ceremony. The bride's pastor, Rev. D. H. Rhinehardt, of the Cliff-Methodist church, officiated. Only members of the two families and Rev. and Mrs. Rhinehardt were present. After the ceremony the happy couple left for Concord, N. C., where they will spend a few days before returning to Spindale where they will make their home.

Mrs. Griffin is the attractive daughter of Mr. and Mrs. Q. L. Womick of Cliffside, while the groom is the son of Mr. and Mrs. Lewis Griffin, of Spindale.

## METHODIST CHURCH NOTES.

Sunday services, October 19, 1930: Sunday school at 9:45 a. m. Preaching service at 11:00 a. m., and Epworth League at 6:30 p. m.

Mr. Adams held a service of educational lectures for the benefit of Methodism for this community especially for the Epworth League. Members from Alexander Epworth League attended the lectures. We were glad to have them meet with us.

There was no Wednesday night prayer service due to the lectures. Friday night closed the lectures with a social which was greatly enjoyed by all who attended.

Our church service Sunday night was well attended and as usual our pastor preached a splendid sermon. He told us very clearly what things we must cultivate and strive to attain to have a satisfied sense of our nearness to the Kingdom of God. Also the things we should keep out of our lives.

Dr. C. S. McCall and Mr. George Wood of Forest City were visitors at church services at the Methodist church last Sunday.

## CLEAN-UP TIME.

Summer's green mantle forms a beautiful cover for many ugly and unsightly piles of rubbish and junk. But with the first touch of Fall leaves go whirling away from their summer home baring to view the ugliness that surrounds or exists in every community.

This is one reason why Fall is an ideal clean-up period. No longer are the crude marks of civilization hidden from view. No longer can we admire the beautiful vine covered hedge without being aware of the trash and rubbish that may be scattered below.

Take particular note of this condition now, and clean-up around your own property, in order that our community may present as attractive an appearance at this time as during other seasons.

## To The Voters of Rutherford County

"I have served two terms in the Legislature, and therefore feel that not only do I possess the ability but also the experience, and am in position to do something for Rutherford County really worth while.

"For the benefit of the public, I wish to say:—

"1. That I strongly oppose any bond issues or additional tax burdens.

"2. In order to relieve the property from the heavy burdens of taxation I would favor placing schools and roads under state supervision and state support.

"3. I pledge my full support to any measure that will bring relief, and will actively oppose any legislation that might add to the burdens of our people.

"4. I will represent all of the people of Rutherford County, and regardless of party will appreciate an expression from the people of their views on all matters pertaining to county and state affairs.

"On this platform I ask the voters to elect me to the Legislature and to support me in accomplishing what is necessary for the good of all."
